Children's Aid Drive Brings Fine Results

Benefit Shows To Help Raise Funds To Be Held Next Week

Reports from workers for the drive for $2500, for the Queen Anne's county branch of the Maryland Children's Aid Society, indicate that in the neighborhood of $1,000 is now accounted for as being collected. Many sections of the county have not been heard from, and although the drive officially closed Monday, due to the fact that numerous workers have been unable to contact the persons on their lists, it is being carried on for several days.

Several benefits also that could not be arranged within the allotted time are scheduled to take place within the next two weeks.

At Churchill Theatre Wednesday and Thursday of next week, December 15th and 16th, the picture "She Married An Artist" will be shown as a benefit. Tickets for the show are being sold by the Students of Church Hill high school under the supervision of J. Bernard Merrick, principal of the school.

On Saturday, December 18th a matinee will be given at Queen Theatre, Queenstown, through the courtesy of Henry Green, manager. The show will be an unusual affair and will be "The Great Rome, Famous Virginian and his Show of Wonders." In many other sections bakes and various means are being used to raise funds to help the county children, who otherwise would not be provided with proper homes.

The milk bottles which have been placed in the stores throughout the county for contributions have yielded a nice sum, and the pin ball machines which are contributing a portion of their proceeds to the cause are also adding to the fund by sizable amounts.

Ex-Sheriff Dies

In Memoriam

KOLATA—In loving memory of our dear son and brother KARL E., who passed away one year ago, December 8, 1936.

One year has passed since that sad day,
The one we loved was called away;
God took him home. It was His will,
But in our hearts—he liveth still,
Taken from us in perfect health,
To live with Jesus in a land of wealth.

Time speeds on the year has passed,
Since death its, gloom its shadow cast,
Within our home where all seemed bright
And took from us a shining light.

We miss that light and ever will
His vacant place—there is none to fill
Down here we mourn but not in vain
For up in Heaven We shall meet again.

His Loving
MOTHER and DAD,
SISTER and BROTHER.

Denton Meeting To Analyze Farm Program

The agricultural program for 1938 is to be discussed at a meeting of soil conservation committees, county agents and others interested to be held in the Denton Courthouse on Wednesday. While the general outline of the program is known the group is expected to acquaint itself with details.

Queen Anne's is to be represented by its county soil conservation committee, Ernest B. Brown, J. Edgar Bryan and Fred W. Sylvester as well as by County Agent Kenneth W. Baker.

Thus far in winding up the task of completing the 1937 program in Queen Anne's 614 farms have been checked and field work finished while acreage by air maps has been checked on 150 farms.
