Officer E. Troutman E.D. reported for being asleep on his beat, admitted the charge and was fined \$5.00.

The following order was passed by the Board and transmitted to the Marshal:

The Board of Police hereby voice their disapprobation of the testimonial and presentation to George W. Metzger late an Officer in the Police Force, of a gold watch, particularly in view of the fact of grave charges having been presented against Lieut. Metzger, and he refusing to stand trial, preferring to send in his resignation, which was promptly accepted.

The Board profess their willingness to recognize merit, encourage virtue and reward the meritorious, but reprobate and censure all attempts to screen delinquents under the veil of complimentary resolutions and remarks, or public testimonials.

Hereafter all presentations by the Force are prohibited, without the sanction of the Board.
