## TRI NEWS REEL

**SCHOOL NOTES**

The Seniors began work on their class play, "Streamlined Sue." Just the title suggests many howls of laughter and holding of sides on the part of the audience. They are digging right in and studying parts with all their energy . Miss Price, our English teacher, will direct the play, with Mrs. Cooper, assisting.

—o—

We are very fortunate this year in having Miss Betty Moore, a graduate of the University of Maryland, to coach our girls' athletic teams. Miss Moore is well qualified in this work and we are learning many points from her. Tri-County is hoping to carry off the championship this year and we really are working for it.

—o—

The entire school is enjoying the use of our new library. Marie Hutchison and Pauline Baker, the librarians, have catalogued the books and many students are reading them. We sincerely appreciate Mrs. Harry Kemp's giving the school many valuable copies of the "National Geographic Magazine." These magazines are very helpful and the pupils enjoy the use of them very much.

—o—

## THREE IS TOUGH LUCK FOR ONE

Andy Devine is only engaged to Martha Raye when Bob Hope, the cheeker above married her. Plain poison is the frank romancing to husky Andy but all he can do is squirm. The scene is from the comedy, "Never Say Die", coming to the Queen Theatre Tuesday, Wednesday and Thursday.

Mrs. William Epperly and son Billy of Baltimore, spent last week with her parents, Mr. and Mrs. James F. White.

Mr. J. Fred Stevens was in Elkton last week surveying the conditions of the high school. Representatives from different parts of the state made a similar survey of our high school several weeks ago.

Mr. W. E. Denny, jr., made a business trip to Baltimore on Friday.

**A FARM TELEPHONE *gets the* ANSWER**

WHEN the farmer needs information from the County Agent, the veterinarian or anybody else, the telephone will get it for him quickly.

Ask at our business office how to get your telephone.

THE C. & P. TEL. CO.

**Use a Fertilizer That Improves Your Soil!**

**'Aero' Cyanamid**

**21% Nitrogen—70% Hydrated Lime**

ITS NITROGEN feeds the crop. It also hastens the transformation of crop wastes and cover crops into good Humus.

Its Lime supplies available calcium. It also neutralizes the organic and nitric acids resulting from the decay of organic matter in the soil.

Plow down — or disc in — Granular 'Aero' Cyanamid with all crop wastes and cover crops.

Your crops will show results this year.

Your soil will be permanently improved four ways.

MORE CALCIUM MORE NITROGEN

MORE HUMUS LESS ACIDITY
