UP AND DOWN THE Eastern Shore

Killed In Culver Crash

Ocean City—Fatally injured when a car in which he was riding struck a culvert at Herring Creek Otis Long, 19, of Dagsboro, died shortly afterward from a fractured skull. Harry B. Long, operator of the car, suffered a broken arm and Edward Timmons an arm fracture and internal injuries. The automobile was said to have been traveling at a high rate of speed.

To Train Pilots

Chestertown — Washington College has been selected by the Federal government as one of six Maryland colleges in which training as airplane pilots will be offered young men between 18 and 25 years of age. Paid instructors will conduct classes in the theory of flying use of airplane instruments, parachute jumping and engines. The ground course will run for eighteen weeks with flight training to be completed by June 15, 1940.

Rope Severs Boy's Foot

Berlin—Hurrying from school to help his parents harvest hay Billy Smith, 9-year-old son of Mr. and Mrs. Mack Smith had his foot torn off when he stepped into loose coils of rope which tightened suddenly from the weight of the hay as his mother, operating a tractor, started the machine. The boy's left foot, ankle and part of the lower leg were amputated.

Objects To Splitting Farm

Denton—Mrs. Sophie Kerr Underwood, widely known as novelist and short story writer and native of Denton, told the county commissioners that she would not consent to construction of a road through a farm she inherited from her father, the late J. W. Kerr, and would not give rights of way. The road which she said would divide her farm is being sought by a resident of the Deep Shore settlement on the Choptank with a view of initiating developments.

Retired Surgeon Dies

Princess Anne—Dr. George W. Jarman, 78, wealthy retired New York surgeon and prominent in civic and religious interests in Somerset and Wicomico counties died at "Brentwood" an estate he had purchased forty years ago on Wicomico Creek. Dr. Jarman was a noted gynecologist, member of many medical associations, was chairman of the boards of directors of the Wicomico Hotel and the Farmers and Merchants Bank and was senior warden of St. Andrew's Church here.

Stiff Fine Imposed

Salisbury—C. Myron Dashiell, indicted for operating the Liberty Finance Company without a license from the Commissioner of Loans was fined $500 and costs, the maximum amount. The company handled small loans.

She Got Them

Bishopville—Charles (Frenchy) Dalphin, 40, veteran Cambridge air pilot and his passenger, Miss Mary Baker, 22, of Salisbury, suffered only minor injuries when a monoplane fell into a spin and dropped into a gum woods on the farm of Harry Baker, farmer near here and father of the passenger. Both wings were sheared off the plane as it mowed down a score of small trees. The pilot cut off the ignition before the crash and both he and the young lady walked out of the wrecked plane. The passenger, it was said, had asked to be taken for a ride "with thrills."

Bank Night Fine

Salisbury — Terming theatre Bank Nights as lotteries Chief Judge Jenjamin A. Johnson fined Robert Daly, manager of the Arcade Theatre, $500 for vilolation of State gambling laws. State's Attorney Rex A. Taylor said estimates of the tickets in the drum at the theatre ranged from 40,000 to 100,000.

War Curbs Fishing

Elkton — Apprehensive of possible sabotage now that war has broken out in Europe the Philadelphia Electric Company, owners of the Conowingo Power Compayn, has forbidden anglers from fishing from the breast of the dam at Conowingo as well as within a 1,000 feet below and above the dam.

Too Close To Shore

Ocean City—Seven captains of trawlers from Virginia and New Jersey have been summoned for trial for allegedly fishing within the three-mile limit near here. Daniel Trimper, 3d, district conservation inspector, spotted the trawlers working within the limit from he Coast Guard tower. Authorities are also investigating reports that dynamite had been used to kill thousands of fish on a bank near the resort.

Dies In Blazing Home

Elkton—Trapped in her blazing home Mrs. Annie Albenese, 70, was burned to death as a neighbor vainly sought to rescue her. Fire of unknown origin was bursting from end to end of the dwelling where the woman lived alone when John Heath, a neighbor, discovered it. He called to the woman heard her answer from the second floor, ran to a shed for a ladder but when he returned was unable to locate her. The woman apparently was overcome by smoke in the interval. The dwelling was destroyed.

YOU see pictured here the magnificent automobile that value-wise is next year's No. 1 car.

That's absolute net. We who dreamed it, built it, tested it, tell you cold-turkey it is Buick at its unbeatable best.

Every one of its 12,000 parts is a better part than we've been able to make before.

Every one of its 44 different types of steel is the finest for its job that money can buy—five of its special alloys were not even in existence 10 years ago.

When this uncatchable smoothie went foxfooting through its paces on the General Motors proving ground, a ripple of wonder ran like quicksilver through the men who watched its going.

You'll feel it—you'll marvel, too—when you feel this incredibly active, staunch, exciting mechanism come alive under your hands—this car that brings to flower the best that Buick knows.

From the velvet velocity of its straight-eight Dynaflash engine to the superb way it handles and answers controls, it's as full of new-day features as an egg is full of meat.

Go see this beauty, drive this dream-come-true! All fire and sparkling spirit, it's a glory of gallantry-and-obedience on wheels.

It's yours for very little more per pound than you pay for a good cookstove.

It's a honey, it's a bearcat, it's a lamb!

Only car in the world with all these features

★ "MICROPOISED" DYNAFLASH VALVE-IN-HEAD STRAIGHT-EIGHT ENGINE ★ OIL-SAVING PISTON RINGS IN ANOLITE PISTONS ★ "CATWALK-COOLING" PLUS ULTRA-RAPID CIRCULATION UNDER PRESSURE ★ BUICOIL SPRINGING FOR THE "FULL FLOAT" RIDE ★ FULL-LENGTH TORQUE-TUBE DRIVE ★ TIPTOE HYDRAULIC BRAKES ★ AUTOMATIC CHOKE ★ SELF-BANKING KNEE-ACTION, RECOIL WHEEL MOUNTING ★ FORE-N-AFT FLASH-WAY DIRECTION SIGNAL ★ STRONGER NEW "DOUBLE WALL" TURRET TOP BODY BY FISHER—WITH SAFETY PLATE GLASS ALL AROUND ★ EASY ACTION HANDISHIFT TRANSMISSION ★ SAFETY-UNIT SEALED BEAM HEADLIGHTS
