to Scout Howard Taylor of St. Michaels. This is the highest award a Scout can attain. It was presented in a fitting ceremony by E. P. Volke.

The Court of Honor ended with the showng of the film "The First Century of Baseball" loaned by the Fisher Body Corp., especially for this function. For forty minutes assembeld Scouts were thrilled with this sound film which depicted the history of the great American game with many close-up and slow motion shots of the present stars in the American League, as they demonstrated pitching, the hook and stand-up slide together with fast and slow motion shots of close plays at the plate and on the bases.

Field Executive C. R. Andreas annouced that the regular College Scout Day will be held at Washington College on Saturday, November 11, when the Scouts of the Council will assemble in Chestertown to see the football game between Washington College and Mt. St. Mary's. Also the annual conference of the Scout Leaders of the Coucil will be held at Dover on November 30. The feature of this will be a testimonial dinner to the Scoutmasters after which an address will be made by Dr. George Fisher, Deputy Chief Scout Executive of the National Council by Scouts of America. For the first time in the history of Scouting on the Delmarva Peninsula ,the ladies of the Scout Leaders will be invited to the conference.

Hitler evidently prefers ignorance. He has closed three great schools: ancient Heidelberg University, Leipsig and Rostock Universities.
