## Stevensville Hi-Lights

APPRECIATION
By The Editor

The annual Stevensville high school Bazzar and Supper was held on November 1. Through the combined efforts of parents, patrons, student body, friends and faculty, the affair was held with a great measure of success. Without the cooperation of everyone interested in our school we could not have had this success. Special credit should be given to Mrs. Jack Gibson, manager of the Bazaar, and Miss Julia Norman, manager of the supper. We particularly appreciate the help rendered by the members of the Women's Club. The school wishes to extend its sincerest thanks to all of you for helping to make such a success of this annual school event.

CHEERFUL LITTLE EARFUL

We take pleasure in presenting our "Cheerful Little Earful" column, which we hope you will enjoy. This column will prove to you that even we, the staff of Stevensville Hi-Lights, have a sense of humor, and that we find our school days full of fun and cheer, which we want you, our public, to appreciate.

I—Sophomore Intelligence
By Esther Hoxter, '42

1. Sophomore Intelligence:
Yes, yes, the brilliant brain of Master Warren Courey flashes across the horizon once again. Here we see it in Biology class. No petty words to trip him up, only the "difficultest" of the difficult. Webster spells it "d-e-t-e-r-m-i-n-e." Warren pronounces it "detter-mine."

II—Mystery!
By Phyllis Palmer, '41

Last week, Billy Gardner, a male member of the Junior class, attracted the attention of everyone in school. All the day, yes, the entire day, he wore a sweater tied around his waist so the body part of the sweater was dangling in back. Billy denied being cold and he claimed, too, that he wasn't trying to be feminine. We stewed, we fretted, we tore our hair from curiosity. Later we found that Billy, on his way to school in the bus, had accidentally torn his pants in a most conspicuous place.

III—Senior Miserliness
By Phyllis Palmer, '41

This is what was found on one of the lists of bazaar donations handed in by one of the Seniors: "Two catsup bottles." I, the Editor, plead guilty.

IV—Spiritual Help

On the morning of the day of the Centreville-Stevensville games, the school enjoyed a lengthy assembly. The captains of the two teams were asked to speak a few words of encouragement to their respective teams. Billy Gardner, boys' captain, began his talk, confident and poised ,only to hesitate and despairingly look toward the ceiling, but he continued shortly after. Our principal added these climaxing words to this young man's speech, "My help cometh from above."

COUNTY ATHLETIC PARTY
By Doris Horney, '40

For the first time in the athletic history of Queen Anne's county, a party was given in honor of all of the fieldball and soccer athletes of the county. This party was held at Stevensville high school, Friday night. Such an occasion gives the players a grand opportunity to get acquainted with one another and we surely took advantage of this opportunity.

There were several purposes of the party: First, to present medals to the fieldball champions, Stevensville high school, and to the soccer champions, Centreville high school; second, to announce the all-star players of both teams; and third, to make plans for games with all-star teams of other counties.

The party was opened by short addresses of welcome from Mr. Day, Superintendent, and the Principals of the county, after which athletic medals were presented by Mr. Day.

Between the presentation of medals and the announcement of all-star players, each school entertained the other students with stunts, consisting of both the old and new style of dancing, and songs.

Stevensville high school entertained by "graciously" inviting all present to enter the "Tomb of the Tormented." Plenty of "spooks" and "thrills" were enjoyed by everyone. After this we enjoyed one of the high-lights of the evening, refreshments consisting of ice cream, cake and soft drinks.

The all-star players were announced by Mr. Nides, who gave a short talk on the qualities of an all-star player. The lucky girls from Stevensville who made the all-star fieldball team are: First team—Lulu Scheel, Violet Coleman, Katherine Nash, and Irene Evans. Second team—Dorothy Radcliffe, Betty Thomas, and Phyllis Palmer. The equally fortunate Stevensville boys on the first all-star soccer team are: Willard Thomas and Donald Thompson; on the second all-star team are: Ralph Baker, Billy Gardner, Fountain Davidson and Charles Blizzard. We are very proud to announce that Irene Evans was appointed captain of the all-star fieldball team. The first inter-county game will be held at Chestertown, November 7, between Kent and Queen Anne's counties.

## Barclay Homemakers Hold Monthly Meeting

The Homemakers' Club of Barclay held its monthly meeting last Thursday at the home of Miss Winifred Wilson.

The meeting was called to order by the president. Twelve members responded to roll call. Plans were discussed for the county meeting to be held at Sudlersville; also plans for the Christmas party to be held on December 27, at the home of Mrs. Noah Skinner.

Mrs. John Ware gave a very interesting description of the Product Demonstrator's meeting.

The following officers were elected for the ensuing year:

President, Mrs. Elmer Leary; vice-president, Mrs. Edward Graham; secretary, Mrs. Linwood Wallace; treasurer, Mrs. John Green; publicity, Mrs. Leslie Booker; product demonstration, Mrs. John Ware and Mrs. J. S. McGinnis; curret events, Miss Winifred Wilson; book chairman, Mrs. John Ware.

## Captured World War Colors—Armistice Day

German flags captured in the World War, are being traced by former Lieutenant C. Stewart Peterson, Baltimore. Three captured German naval flags and one Austro-Hungarian naval flag are in the museum at the United States Naval Academy, Annapolis. These include an ensign taken in 1918 from a German submarine; an ensign from the German Cruiser Geier interned at Honolulu, 1916; a flag salvaged from the S. M. S. Cormoran sunk at Guam in 1917; a flag from the Austro-Hungarian Kaiser's flagship captured in 1918 in the Mediterranean. The German flag is being traced from the Alexander Agossiz which was captured by the U. S. S. Vicksburg in Mexican waters in March 1918. A flag from a German war plane has been traced in Wisconsin. There is a German flag in Illinois that was captured by the 124th Field Artillery in battle. A blood stained French flag picked up on the battlefield by an American soldier has been located in California.

## Population Will Reach Peak In 1940

That the population of the United States probably will not reach its crest until about 1960 is the opinion of Dr. O. F. Baker, agricultural economist of the United States Department of Agriculture. The number of births per year, however, has been downward since 1924.

Births per years have declined from nearly 3,000,000 in 1921 to about 2,300,000 in recent years. Dr. Baker points out. He cites figures to show that enrollment in the first grade of public schools has declined about 100,000 each year since 1930. Enrollment in elementary schools as a whole is declining, and there are about 12 per cent fewer children under 10 years of age in the nation than when the census was taken 9 years ago.

Rapid, precise machining of metal parts has become possible through the use of diamond-set tools.

## '40 Chevrolets Accepted By Buying Public

### Public Demand Reaches New High For Post-Announcement Orders

Public demand for the new 1940 Chevrolets, indicated in the company's 8,600 dealerships throughout the country October 14, has hit a record high for immediate post-announcement orders, it was announced here today by W. E. Holler general sales manager.

Mr. Holler reported that the new cars have won instant approval of the car-buying public, interest being expressed not only in the offerings as a whole, but in individual models of the most comprehensive line ever introduced by Chevrolet.

"Never before in my experience have I seen such a heavy demand for all models of the new car," Mr. Holler said. "The unusually strong backlog of orders built up during the pre-announcement activies has been further bolstered by purchasers who were simply waiting to get a glimpse of the new car before selecting model and color.

"Ordinarily, of course, we expect liveliest demand for the two-door and four-door sedans. This year, not only are the sedans in great demand, but buyers are asking for many more of the other models than in previous years. Especially popular is the four-passenger coupe, introduced by Chevrolet last year further refined and made roomier in 1940. Station wagons too have won widespread public approval and are in great demand."

Mr. Holler pointed out that "eye appeal" has had much to do with the acceptance of the new 1940 Chevrolet line. "The new cars," he said, represent a greater improvement in styling and design than Chevrolet has ever previously attempted to make in one year. Numerous mechanical improvements, already acclaimed by drivers of the new Chevrolets, bear out the reports of the engineers that extensive refinements have been made in the 1940 chassis and power plant."

New car orders are being handled as rapidly as possible, Mr. Holler said.

AUTUMN
By Casper L. Newcomb

The leaves are brown, no longer gleams
Verdant colors on the bough sit,
Though I can see great brightness yet
In fields, in woods, on banks of streams.

Over meadows, along the brooks
There is no trace of Summer days;
Of no sweet sounds along the ways
On heads in some secluded nooks.

But there's radiant nature, sheens
In ways of splendor, as I stroll,
Gleams out and comforts me, A Soul,
As I look on Autumn scenes.
