LOCAL MATTERS.

WEDNESDAY, July 26, 1871.

The corn is almost entirely ruined in the lower part of the County for want of rain.

ACCIDENT.—James Pattison, son of J. R. Pattison Esq., near Cambridge, a youth about 15 years of age, fell from a horse on Monday and severely dislocated his arm. Doctor Bayly reset the wounded limb and the patient is doing well.

CARROLL COUNTY.—The delegates from Carroll County stood firmly by the Eastern Shore in the late State Convention, and we wish to put this fact on record. We can assure our brother Democrats in that fine county that their action on this occasion will be long and gatefully remembered on this side the Chesapeake.

At the primary elections in Baltimore city held on Thursday last, our former County men, Major Wm E. Stewart and Major Elias Griswold, were selected from the 9th and 18th wards respectively to represent Baltimore in the State Legislature.

Their nomination is equivalent to an election, and their numerous friends throughout the County will be gratified to hear of their good fortune.

CAMP AT HURLOCK'S.—Messrs Christian & Wilson inform their friends and the public generally that they have bought the right to keep the CAKE AND CONFECTIONARY TENT at Hurlock's Camp.

It will be remembered the BREAD TENT connected with the camp will be on the camp ground and not at the Station. There will be however a stand erected near the Depot in connection with the above for the accommodation of those who wish to take refreshments before going on the ground.

There is a small store at the station at which Confectionary will be sold, but persons visiting the Camp should certainly patronize the cake-tents connected therewith, as it is only by the sale of such privileges that the Camp can sustain itself,

STEAMBOAT NOTICE.—On and after Monday, July 24th, the Steamer Highland Light will discontinue her trips to points above Hog Island, and will leave Denton on that date at 10 A. M. Her trips will be made as usual in other respects, on her return trips leaving Hog Island at 12 o'clock noon on Mondays, Wednesday's, and Friday's. On and after the same date Steamer Massachusetts will leave Light St. wharf for Oxford, Cambridge, Denton and intermediate landings, on Mondays, & Wednesdays at 9, 30, P. M. and for Cloras Point, Cambridge, Denton and intermediate landings, except Cabin Creek, on Saturday, at 7 A. M., returning leave Denton on Tuesdays Thursdays & Sundays at 12 o'clock noon, stopping at Easton Sunday evenings.

SAD ACCIDENT.—On Thursday last, a little daughter of Bishop Lay, was kicked by a horse, while she was playing in the yard, at the Bishop's residence. The child is between two and three years of age, and the hoof of the horse reached across the forehead to the nose. Drs. Chamberlain, Earl and Bateman rendered medical aid. It is wonderful that the child was not instantly killed. Yesterday morning no bad symptoms had appeared, however, and the wound was not considered fatal. *Easton Gazette.*

THE DORCHESTER AND DELAWARE RAILROAD.—The Dorchester and Del. R. R. has had many obstacles in its way. First it was built before (as all railroads are, we believe) the freights were ready. The fruits had to be planted after the road was a certainty. According to a statement made by President Hinkley, of the P. W. & B. R. R., it is now in better condition than any other branch road on the Peninsula. We believe it, and rejoice that it is so. We are glad that the Stockholders of the road have been so fortunate in the choice of their officers. The management of the road has been of the best order from the beginning, and while it is in the hands of such men as Byrn as President, and Hessey as Superintendent, we do not fear any "down grade" movements. Indeed, candor compels us to say, what we take great pleasure in recording, that of all the R. R. men we have ever known, Mr. Hessey will compare very favorably for liberality to shippers, and for business foresight generally. *Surprise.*

POLITICAL.—There is a split in the democracy of St. Mary's, based upon dissatisfaction with the convention nominees and the convention plan of making nominations. As independent candidates, Messrs. R. Johnson Colton and J. Parran Crane announce themselves for the House of Delegates and State's attorneyship respectively, together with Messrs. John B. Abell, John Parsons, Thos. M. Shadric and A. C. Tennison for commissioners.—*Beacon.*

☞ A good root—A pig rooted up $2,000 which had been buried in Missouri during the war.

The Hartford lawyers are puzzled over a singular legal case which has just arisen there. A man who died lately, leaving a handsome property, and a childless widow, but with a prospect for the future, left also a will, duly executed, in which it was provided that if the expected child should prove to be a boy two-thirds of the property should go to him, and one third to the widowed mother. If, however, the child proved to be a girl, only one-third of the estate was to go to her, and the two-thirds to the mother. But the widow has become the mother of twins, and, what greatly heightens the perplexity of the case, the twins are a boy and girl, and the lawyers are in a quandary to know what they shall do about it.

PUTMAN, the Radical Postmaster of Mobile, one of General Grant's recent appointments, has been arrested and indicted for bribery. From office to the Penitentiary seems to be the fate of Radicals in the South.

☞ The Maryland Republican State Convention to nominate candidates for Governor, Attorney General and Comptroller of the Treasury will meet in Baltimore on the 12th of September.

BUSINESS LOCALS.

Who is there so poor that he does not wear clothing? Who is there so devoid of taste that he does not wish *good* clothes, when he purchases? Then call at the shop of Wm. C. Littleton & Son and get yourself fitted up in handsome style, for in make, material and all that goes to make up a first class suit of clothing they yield to none.

What is the use of wearing ill made clothes when you can get yourself up in elegant trim by calling at I N. Elston's on High Street and letting him take your measure? all who have "been there" say he can *do* it.

Mr. Elston, has for years been known as one of the best "fitters" ever engaged in the tailoring business in our town and guarantees satisfaction.

There may be those who think that because Mr. Samuel R. Pennington has had of late an unusually heavy press of business, he will not have the time to attend promptly to orders, but this is not the case. That enterprising and popular Tailor has largely increased his force, and is still prepared, as heretofore, to execute all work entrusted to him with neatness and despatch. All he wants is a trial.

DON'T BE POISONED with the sticky, filthy, dangerous Hair Preparations, but use NATURE'S HAIR RESTORATIVE, which is perfectly clean and transparent, and *entirely free from all dangerous drugs.* It will postively restore Gray Hair, prevents the Hair from falling off, will cause it to grow when prematurely lost, removes dandruff and keeps the head in a perfectly healthy condition. Try a bottle and be satisfied that it is the greatest discovery of the age. PROCTER BROS., Gloucester, Sole Agents for the Patentee. All the Druggists have a full supply. See advertisement.

Let all persons who desire an excellent photograph call on J. J. Pattison over the Post office. The Editor can vouch for the excellence of his work for he has given him a trial. That is all Mr. P. asks of any one.
