LOCAL MATTERS.

WEDNESDAY, Aug. 9, 1871.

PARALYTIC STROKE.—Capt. Alward Johnson of the East New Market District, one of our most valuable citizens, was stricken down by paralysis in the streets of Cambridge on Saturday last

P. S. Mr. Johnson died, at Brohawn's Hotel, in Cambridge, on Sunday evening last.

INCENDIARY.—While the family was absent on Saturday evening last, the Dwelling and out Houses of Henry Burns, Esq., situated in the lower part of our County was completely destroyed by fire, supposed to be the work of an incendiary.

DISTRESSING ACCIDENT.—Mr. Marchbank, the popular proprietor of the Nanticoke Hotel, Seaford, Del., on Friday last, attempted to spring from a train of cars on the Delaware Road while in full motion, and falling on a pile of rail road ties was desperately injured in several portions of his person. He lingered until Saturday morning and expired, the best medical attention having been lavished in vain.

AWFUL DISASTER.—The excitement in New York City consequent upon the late terrible accident on the Brooklyn Ferry, continues unabated. Thus far, 79 dead bodies and 123 wounded have been picked up by the police, and it is believed that a large number of bodies are lying at the bottom of the river. Immense numbers of people throng the pier at the foot of whitehall St. endeavoring to recognize the remains of missing relatives and friends as they are fished out of the water by dredges. The authorities are investigating the cause of the explosion.

AN OLD FRIEND.—We clip from the "Pueblo Chieftain," Colorado Territory, the following extract from a letter written for that paper by a recent visitor at Fort Reynolds.

We found the Fort in a very cleanly and orderly condition, which is due to the excellent management of the commander, Colonel H. B. Bristol, assisted by the *not light* endeavors of Dr. T. B. Chase, Post Surgeon. By the way, a short time ago a correspondent told us that the surgeon at Fort Lyon was one of the most popular officers in the army. Now, with due deference to Dr. Woodhull, we will raise one on Surgeon Chase, and risk anyone another that we have the *heart* of him.

To most of the citizens of Cambridge the name of "Tom Chase" is as familiar as a household word, and numerous friends will be glad to hear of his welfare. Amongst other incidents of the late war, was that of the Doctor, and he has landed, and is doubtless enjoying life, far towards the setting sun, at the base of the Rocky Mountains.

TO TEACHERS, COMMISSIONERS, AND FRIENDS OF EDUCATION.—THE MARYLAND TEACHERS' ASSOCIATION will meet in Baltimore on the 30th and 31st of August.

The following distinguished gentlemen have been invited to address the Association, and many of them have already accepted the invitation:

Genl. John Eaton, Jr., Commissioner of Education, Washington.

Hon. J. P. Wickersham, State Superintendent, Pennsylvania.

N. A. Calkins, Esq., Superintendent of Schools, New York City.

Dr. Wm. H. McGuffey, University of Virginia.

Prof. Edward Brooks, Principal of State Normal School, Pennsylvania.

Hon. J. Morrison Harris, Baltimore.

James M. Garnett, Esq., Principal of St. John's College, Annapolis.

Wm. H. Farquar, Esq., Montgomery County, Maryland.

Dr. Saml. H. Harrison, Talbot County, Maryland.

Dr. Thos. D. Baird, Principal of Baltimore City College.

The following among other topics will be presented to the Association for discussion, as opportunity may arise:

What can teachers do to make the School System popular and successful?

What is the best remedy for irregular attendance?

Is a "compulsory law" advisable?

Has the time yet come for teachers to give up the Rod?

Should Drawing be introduced as a Primary School study?

Is the Educatian now given in our Public Schools sufficiently practical?

Should men and women teachers receive the same compensation for the same services?

When should the teaching of Grammar from text-books begin?

What kind of men should be appointed School Commissioners?

The "ORDER OF EXERCISES," giving as far as possible the programme for each day's work; will be published as soon as practicable.

Teachers who desire to take part in the discussion of the above named topics, or who desire the discussion of other subjects, will please communicate with the undersigned.

By order of the Executive committee,
M. A. NEWELL, CHAIRMAN.

BUSINESS LOCALS.

Who is there so poor that he does not wear clothing? Who is there so devoid of taste that he does not wish *good* clothes, when he purchases? Then call at the shop of Wm. C. Littleton & Son and get yourself fitted up in handsome style, for in make, material and all that goes to make up a first class suit of clothing they yield to none.

What is the use of wearing ill made clothes when you can get yourself up in elegant trim by calling at J. N. Elston's on High Street and letting him take your measure? ☞ who have been there" say he can *do* it.

Mr. Elston, has for years been known as one of the best "fitters" ever engaged in the tailoring business in our town and guarantees satisfaction.

There may be those who think that because Mr. Samuel R. Trainghton has had of late an unusually heavy press of business, he will not have the time to attend promptly to orders, but this is not the case. That enterprising and popular Tailor has largely increased his force, and is still prepared, as heretofore, to execute all work entrusted to him with neatness and despatch. All he wants is a trial.

Let all persons who desire an excellent photograph call on J. J. Pattison over the Post office. The Editor can vouch for the excellence of his work for he has given him a trial. That is all Mr. P. asks of any one.

IN AN INCREDIBLE short space of time NATURE'S HAIR RESTORATIVE has won its way into public favor. Why? Because it does the work, and leaves no ill effects. See advertisement.
