LOCAL MATTERS.

WEDNESDAY, Sept. 13, 1871.

We will send you any Watch the Jeweller of your town may have, at one-half the price he charges.

Wilmington, Del. has gone Republican at the recent municipal election. Republican gain 650, derived from the 15th amendment.

NEW COUNTY — A movement is on foot to divide Alleghany into two Counties. It is more than 100 miles in length, and the present arrangement is very inconvenient for business transactions.

The Masonic Fraternity of Easton have chartered the Highland Light, and will make an Excursion to Baltimore on the occasion of the great meeting of Knights Templars, leaving Easton Point on Wednesday evening, the 20th inst., returning the following night, giving the whole of Thursday in Baltimore. The profits of the excursion will go to the new Masonic hall fund. Let all who can go and see the most splendid Masonic parade that has ever taken place in the State of Maryland.

AGRICULTURAL EXHIBITION.—The Third Exhibition of the Carrol Co. Agricultural Society will take place at Westminister, Md., on the 3rd, 4th, 5th, and 6th of October next. Extensive arrangements have been made for the accommodation of the numerous guests expected, the President and other prominent personages are looked for, and all the Counties of the State are invited to exhibit their best Stock, and contend for the valuable prizes to be bestowed. See advertisement in full in front of the Chronicle Office.

NEW NEWS PAPER.—We have been receiving during the past week the Baltimore Evening Journal, a daily afternoon news paper recently established it that city. It is edited by Messrs. Yerger & Cole, and is certain to become one of the institutions of Baltimore. In Col. Yerger we recognize a friend of Auld Lang Syne, and very cordially welcome him to the editorial fraternity of Maryland.

DEPARTURE OF THE MUD MACHINE.—We are called on to Chronicle the departure of the Mud Machine, which left our waters since our last issue. The harbor as far as the old wharf has been thoroughly cleaned out, and also a steamboat channel as far as the railroad wharf. Cambridge Creek has not been dug out as completely as we had wished, but we hope to see that work completed in the future.

BOARDING SCHOOL.—We publish to day the advertisement of the Rev. B. B. Griswold, who has established a school for boys in Anne Arundel County. Mr. Griswold will be remembered by many of our citizens as a cultivated christian gentleman who for several years had charge of the Academy in this town, and left here greatly regretted by our people. We ourselves had the pleasure and advantage of being one of his pupils. His charges are moderate, and we can very cordially recommend the school to our readers.

MISTAKEN WE BELIEVE.—In the Baltimore Gazette of Friday last appeared a statement that John B. Nabb of Dorchester Co., had been appointed officer of Registration for the 13th District, vice Edwin Dashiell deceased. That our friend Mr. Nabb has been appointed to the office we have no doubt and are glad to see, but that Mr. Dashiell is "deceased" we positively deny, and on the contrary we do aver that he is a "live" man yet, and we hope to have the pleasure of voting for him on the 7th of November next.

CALL OF OFFICE SEEKERS.—It seems that a circular has been issued by some parties who dare not come into the light of day by signing their names to the paper, requesting all dissatisfied Democrats to meet in Cambridge on Monday next. In other words, every man who was refused an office by the recent Convention and who is selfish enough to prefer his own individual interests to the good of his party, and such others as are weak enough to become their dupes are expected to be present. We and the public hope to see all such in town that day in order that we may hereafter know and spot those who in this great battle for the liberties of America have professed to be Democrats merely for the sake of office. All honest Democrats who are lovers of principle and have at heart the good of the County rather than considerations of a merely personal nature, will, we are confident, refuse to countenance any such movement, and, when Monday comes, we predict that not one single man who has the confidence of the people of Dorchester can be found acting the part of a tool to selfish agitators. The battle is too close between those who war under the stainless banner of the Democracy and the followers of the black flag of their enemies, to allow much division of sentiment among honest men on such a question.

GREELY AS A REPORTER.—It is said Horace Greely once attempted to do up a fashionable party after the Jenkins style and wrote as follows: "Mrs John Buchanan was unusually charming, with orange blossoms in her hair, decollette dress and long trail.' Horace was absent and failed to read the proof, when what was Mrs. B's. indignation on reading the next morning: 'Mrs John Buchanan was continually churning with an orang-outang fastened to her hair, a discolored eye, and in her shirt tail!"

ACCIDENT.—As two young gentlemen of Cambridge were on their way from town to St. John,s Chapel in the Neck, on Sunday afternoon, their Carriage body disengaged itself from the wheels, and they were left quietly seated in the road while their horse trotted on with the wheels aforesaid.—No damage done, only an expletive or two.

The Maryland State Agricultural and Mechanical Fair for 1871,

Will take place at Pimlico, near Baltimore, on the 3rd, 4th, 5th, and 6th of October next. The orator of the occasion will be the Hon. D. W. Vorhees, of Indiana. The premium list is large and liberal and every thing will be done to render the Fair a grand success. In order to add to the attractions of the Exhibition Hall on the occasion, committees of ladies from the city of Baltimore, have been appointed "to solicit household and fancy articles for exhibition." Diplomas will be awarded for articles of merit that may be exhibited which are not on the premium list. Articles may be forwarded to the chairman of the committee, Mrs. J. Hanson Thomas, at the office of the Association, Charles and Lexington streets, at any time before the Fair.

LAND SALE.—Col. Levin Woolford, Comptroller of the State, passed Sunday and Monday in our midst, the guest of Dr. Wm. R. Hayward Commissioner of the Land Office. While here the Colonel sold the Nicolls property to Richard Rhodes Esq., for $6000.

THEY tell of an Iowa cuss who recently agreed to give his wife three dollars a week for a partial punctuation of her tongue-portal; one cent to be deducted for each superfluous word uttered.—She owes enough now on that score to pay off the National debt.

A California applicant before a school board defined phlebotomy as "pertaining to the bottom of a flea." He has retired with a dignity becoming his profession.

A YOUNG man who was caught straining his sweetheart to his bosom the other night, justifies himself on the ground that he has a right to strain his own honey.

A victim of unrequited affection concludes as follows:

"I sat me down and thought profound;
This maxim wise I drew;
It's easier far to like a girl
Than make a girl like you."

BUSINESS LOCALS.

Messrs Wm. C. Littleton & Son inform the public that they are still at their old stand on High St. and prepared to give satisfaction in every department of the tailoring business. In a few days they will have over from the city a handsome supply of Fall goods of the latest fashions.

If you want a suit of well made clothing, or wish any repairing or scouring done in the clothing line, call on I. N. Elston, High St. Cambridge.

Mr. Sam. R. Pennington announces to his friends and the public generally that he is a candidate for their support. He knows that he can please them in every department of the tailoring line, and wants them to sustain him in his efforts to do so. Vox Populi &c.

☞ THAT *pepper and salt color* which renders your hair so conspicuous, can easily be remedied by using a bottle or two of NATURE'S HAIR RESTORATIVE.

Let all persons who desire an excellent photograph call on J. J. Pattison over the Post office. The Editor can vouch for the excellence of his work for he has given him a trial. That is all Mr. P. asks of any one.
