THE HIGHLAND LIGHT.—This popular Steamer carried an excursion party from the Choptank river to the city on last Wednesday night to witness the march of the Templars. The boat was very much crowded and sleeping accommodations were slender, but every thing passed off pleasantly.

Mr. Hemsley of Easton, the well known member of the firm of Penrose, Porter & Hemsley of Phila., as representative of the charter party, had charge of the steamer and exerted himself in the most polite and obliging manner to contribute to the comfort of the passengers. In this he was ably seconded by Capt. Leonard, the favorite Captain of the Highland Light, and his efficient assistant officers of the boat. These gentlemen indeed never appear weary of endeavoring by attention & courtesy to render agreeable the time of their guests.

The Easton Brass Band accompanied us, and Mr. Charles Barnett, of our town, attended with his choice confectionaries, &c.

NOMINATIONS.—On Tuesday the Democrats of Wicomico county made the following nominations:

For Senate, Andrew J. Crawford. For House of Delegates, Joshua Johnson, Wm. J. Langrell. For Sheriff, William Twilley. For State's Attorney, J. Augustus Parsons. For Judges of the Orphans' Court James Laws, Geo. L. H. Woolford, Hugh Jackson.

For County Commissioners, Thomas J. Twilley, Joseph L Straton, Elijah Freeny. For County Surveyor, John W. Smith,

GRAND PROCESSION IN BALTIMORE CITY.—We spent Thursday last in Baltimore City and witnessed the Grand March of the Knights Templar through the streets of that city. They were about 5000 in number, attired in gorgeous uniform, and their march was attended by about 20 bands of music. They were altogether the finest looking body of men we have ever seen, and exhibited in the precision of their step and drill a very high state of discipline. It was decidedly a "festal" day for Baltimore.

MY hair was falling off, I used two bottles of NATURE'S HAIR RESTORATIVE and it checked it at once. It is clean, safe and efficient. If your dauggist has not got it, send direct to PROCTER BROS., Gloucester, Mass. See advertisement.

The YOUNG FOLK'S RURAL for *September*, published by Mr. Lewis of the *Western Rural*, is filled brim full of nice things for young people. The *College World* pronounces it "the most entertaining paper in existence for young people." Cash prizes are offered for best contributions by young folks. $1.00 per year, and free for remainder of this year to new subscribers for 1872. Specimen numbers free. Address H. N. P. Lewis, Publisher, Chicago.

Every one wants a Watch that can tell them the correct time of day whenever they look at it. No other will do. Such Watches are sold at from $12 to $20, by the Norton Watch Factory, 86 Nassau Street New York, and for correctness and beauty we see no difference between one of their $15 watches and a $200 gold one. AMERICAN JOURNAL, Baltimore, Md.

DONN PIATT, the well known Independent Republican, advises the Republican party of Ohio to "rally." Hear him:

"Let the Republicans rally. Let there be a grand rally. Let it be a continuous and tremendous rally. Let the cry be John Sherman and John A. Bingham, Grant and Murphy, a high protection swindle and a rotton civil service, gifts, bribes, general corruption, and bayonets at the polls—in a word, Grant."

RELIGIOUS NOTICE.—Divine service may be expected at the "OLD CHURCH" in Church Creek on Sunday Morning the 1st day of October, and every Second Sunday thereafter until further notice, at 10½ A M.

STEAMER ISAAC P. SMITH.—We have good reason to believe that the Steamer Isaac P. Smith will extend her trips on Wednesday to Sherman's Wharf after to-day in which event she will then leave Cambridge at 3. P. M.

We request every voter in Dorset to read the first editorial column to day from beginning to end. It nearly concerns us all.
