Friday, Nov. 3rd, Hoopers Island, at Tolley's Store. (afternoon)

Saturday. Nov, 4th, Cedar Creek, at Insley's Store. (afternoon)

Besides the Candidates, prominent speakers of the party will attend these and other meetings, which will be called as may be deemed necessary.

RAIL ROAD NOTICE.—Special trains will be run to and from Cambridge, on the 23d inst., to accommodate the public, and further notice will be given of the hours.

POLITICAL.—The political wave that is certain to save Dorset for two years more to the party of the Constitution and equal rights, was set in motion on Saturday last. A large meeting was held in the Neck at Thomas' Store and was addressed by various candidates, and also by the Hon. Daniel M. Henry and by Judge Batty of Indiana.—The latter was in an especial manner heartily applauded as a representative of the great Democratic party from the mighty West.

At Insley's Store in Lakes District a large and enthusiastic meeting was held on the same evening, drawn together by Dr. W A. Smith and Charles Lake Esq., and those gentlemen were received, as they deserve to be, with the utmost expressions of regard and support by the citizens of Lake's, who from all accounts are determined to roll up a great majority on the 2nd Tuesday of November They say that they mean to *try* this Fall to see what they *can* do when in earnest, and there should be no laggards.

These gentlemen, who by the way deserve the gratitude of their fellow citizens of Dorset for the earnest and self-sacrifising efforts they are making in the cause of property and liberty, will hold another meeting at the Store on Elliotts Island on Saturday next, and it is hoped a large attendance will be present. The people of the county are too much interested in the result to refuse to turn out and listen to the truth. Other speakers will be in attendance if possible. We cannot close without allusion to the entire overthrow of the slanderous charge that has been made against Col John B. Keene, one of our candidates for the Orphan's Court That gentleman in his address declared that he never was a republican—he never voted for Lincoln, and for years past has as becomes a good citizen steadily acted with the party of the constitution. This is all that was necessary to remove the scruples of certain of our people, and his high personal character and genial manners will now roll up for him a fine majority of the great party to which he belongs.

Dont forget the meetings advertised this week in another column. A long pull and a steady pull is to be made to increase our 300 majority to 500 in November. Close up the ranks, fellow Democrats, and the people will stand by you as friends of the people.

PREMIUM FRUIT CHROMO!—We have made arrangements with the publisher of Our Own Fireside, to club our paper with his, and now offer both papers for 250, and with them a Premium Fruit Chromo which cannot be bought for less than Five Dollars.

OUR OWN FIRESIDE—Is a large, handsome, 16 paged monthly Illustrated Paper for the people, full of fine illustrations, and the best of serial stories. A sample copy of this paper, and the Premium Fruit Chromo can be seen at our office. Subscribe for your home paper and for Our Own Fireside, and receive this handsome Premium Chromo by so doing.

THE STEAMER ISAAC P. SMITH.—We have every assurance that this steamer will continue her trips, to the Great Choptank and Little Choptank Rivers during the season notwithstanding the opinion prevails with some persons that her trips will be discontinued.

The fare (also another topic for consideration) we are assured will not under any circumstance be advanced beyond the present price. One dollar to the Great Choptank.

The *Anne Arundel Advertiser* entered, last week, upon the second year of its existence, under the management of William T. Iglehart & Co. The new editor speaks of the success of the *Advertiser* as "an assured fact" and also of his intention, at an early day, to enlarge the dimensions of his paper. In politics, the tone and character of the *Advertiser* will remain as heretofore. We wish them every success.

A PRACTICLE VIEW OF IT.—A man who married a buxom Irish girl, greatly to the horror of his mother and sister, made the following defense: "If I married an American girl I must have an Irish girl to take care of her, and I cannot afford to support both of them."

[*From the* NEW YORK GLOBE, *Sept. 5th,*]

GO AND SEE IT.—One of the most interesting exhibitions connected with the American Institute Fair, which opens this week, will be the office of the famous *Aldine*, from the printing house of JAMES SUTTON & Co., who will have two of the wonderful CAMPBELL presses running.—On one of these presses a cut form of the Christmas number of *The Aldine* will be printed. This number will be the finest art publication ever issued in America, and will contain more than fifty superb illustrations. On another press there will be printed a chromo from sixteen plates, at the rate of five thousand impressions per day! It will be as fine as any American chromo, and equal to many of the German. The usual rate of printing chromos is about three hundred impressions per day, after the old manner, by hand, from stones. This beautiful picture is to be presented free to every yearly subscriber of *The Aldine*, for 1872. The great Booth cuts, by HENNESSY and LINTON, will be printed for the publishers, J. R. OSGOOD & Co., by JAMES SUTTON & Co., at the Fair. These cuts are said to be some of the finest ever executed in this country. And it is a little significant that the great Boston publishing-house of J. R. OSGOOD & Co., should give their fine holiday printing to a New York establishment. But nothing can beat "The Aldine Press." So, New York takes the palm from Cambridge and Boston.

RELIGIOUS WORKS.—A very select collection of religious books has been placed, by the Bishop of Easton, in the care of Dr. Bryan and Mr. D. M. Henry, Jr., for sale. Persons desiring such reading will please call and examine the stock at Mr. Henry's office, near the Protestant Episcopal Church.

Wm. Pritchard (colored,) convicted of rape on a white girl some time back, was hanged at Towsontown on Friday last.

BUSINESS LOCALS.

Messrs Wm. C. Littleton & Son inform the public that they are still at their old stand on High St. and prepared to give satisfaction in every department of the tailoring business. In a few days they will have over from the city a handsome supply of Fall goods of the latest fashions.

If you want a suit of well made clothing, or wish any repairing or scouring done in the clothing line, call on I. N. Elston, High St. Cambridge.

Mr. Sam. R. Pennington announces to his friends and the public generally that he is a candidate for their support. He knows that he can please them in every department of the tailoring line, and wants them to sustain him in his efforts to do so. Vox Populi &c.

Let all persons who desire an excellent photograph call on J. J. Pattison over the Post office. The Editor can vouch for the excellence of his work for he has given him a trial. That is all Mr. P. asks of any one.

My hair was falling off, I used two bottles of NATURE'S HAIR RESTORATIVE and it checked it at once. It is clean, safe and efficient. If your dauggist has not got it, send direct to PROCTER BROS., Gloucester, Mass. See advertisement.

☞ **Job Printing.**—We are prepared to print all kinds of Handbills, Circulars, &c., at the shortest notice, and at cheap rates, cheaper than ever.

Messrs. Lynch & Gomien! Gentlemen!

I am very much pleased with the Piano you made for me. It is really a fine instrument in every respect, and is admired by all who have seen and heard it, for its fine tone, delicacy of touch and beauty of finish. Many good musicians and distinguished persons have called since it has been in our parlor and all pronounce it a fine instrument. We ourselves are charmed with it. I shall most certainly recommend it to my friends and all who may wish to purchase. I am very truly and respectfully, Yours,

ELLEN B. E. SHERMAN, 205 I st.

MANHOOD: HOW LOST, HOW RESTORED,

JUST published, a new edition of **Dr. Culverwell's Celebrated Essay** on the *radical cure* (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, etc; also, CONSUMPTION, EPILEPSY, and FITS, induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and *radically*.

☞ This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, *postpaid* on receipt of six cents, or two post stamps.

Also, Dr. Culverwell's 'Marriage Guide,' price 25 cents.
