LOCAL & PERSONAL.

WEDNESDAY,.....Jan. 17, 1872.

ROADS.—The Roads have been in bad condition recently, owing to the continued freezing and thawing.

RE-ELECTION OF SENATOR SHERMAN.—The General Assembly of Ohio, have re-elected the Hon. John Sherman, to the U. S. Senate.

WILD DUCKS.—Never has our market had so few Wild Ducks as at the present. The sportsmen say, that there is very little food this season.

Phillip D. Laird Esq., has been appointed Attorney to the County Commissioners, and Mr. J. M. Beckwith re-elected Clerk.

CONCERT.—The Masonic Order of Cambridge will give a Grand Musical Entertainment to-night, at the Court House. The best musical talent of the town have consented to take part, and to the lovers of music, a rare treat will be offered. Cambridge enjoys an enviable reputation for its musical talent, which will be fully sustained this evening. The Concert is given for charitable purposes, and will commend itself to the consideration of all.

We bespeak a liberal attendance.—Admission, 25cts.

ANNAPOLIS—*Election of John W. Davis as State Treasurer.*—In the Legislature yesterday John W. Davis, Esq. late Sheriff of Baltimore city, was elected treasurer of Maryland, 25 votes being cast by the Senate and 80 by the House—total 105; of which Mr. Davis, democrat, received 92, and Mr. Joseph Shriver, republican, of Allegany county, received 13. Mr. Davis was therefore declared elected treasurer of the State, and a joint committee of both houses was appointed to inform him officially of the fact.

SEAFORD & GEORGETOWN R. R.—We propose to say something shortly, of this projected Road. We are supprised that our people are so short-sighted, in not seeing the advantages which must accrue to them, by the completion of this short link of 15 miles. It will save annually to our largest Fruit Produce shippers, from one thousand, to twelve hundred dollars. In preference to taking $1000 stock, each, they would rather pay that much annually, for a life time. Splendid business!

ENTERPRISE IN FEDERALSBURG.—There was a meeting held at Federalsburg on Saturday the 6th inst., for the purpose of organizing a Joint Stock Manufacturing Co. Speeches were made by President W. Wilson Byrn, Clement Sulivane Esq., of Cambridge, Wm. C. Logan & Dr. Noble Esq's., of Federalsburg. We are delighted to see such a move. It speaks well for the enterprise of Federalsburg. We have natural advantages, such as few Countries are blessed with. All that is necessary to make us a great people, is, to develop our resources which lie dormant. A full account of the proceedings will appear in our next issue.

WHARTON POISONING CASE.—This celebrated trial still continues. The counsel for the defence have concluded the examination of medical Experts, and are now engaged in examining witnesses as to character. The case will probably be concluded in a few days. What the result will be, of course no one knows. The general impression however seems to be, that she will be acquitted. There has been a remarkable diversity of opinion among medical gentlemen, and it has been partly remarked, that if the trial has proven nothing else, it has demonstrated conclusively, that Chemistry is no Science.

THE INNER HARBOR.—There was a public meeting of the citizens of Cambridge at Hayward Hall, on Friday evening last, for the purpose of Memorializing congress, for another appropriation to complete the improvements upon the Harbor of Cambridge. On motion of D. M. Henry, Jr., Dr. Francis P. Phelps, was called to the chair and J. H. Johnson, made secretary. A committee consisting of P. D. Laird, W. Wilson Byrn, Francis J. Henry, James Wallace, Charles F. Goldsborough and James Straughn, Jr., were appointed to draft the necessary memorial to congress.

There being some difference of opinion as to the proper amount to be asked of Congress, the committee were instructed to correspond with Col. Craighill, Assistant U. S. Engineer, who made the survey of the Harbor last summer, and learn what sum will be necessary to complete the "Inner Harbor," and to report to this meeting on Friday evening, the 26th inst. to which time the meeting adjourned.—There was a lively interest manifested, and it was agreed upon all sides, that the completion of the Harbor would redound greatly to the prosperity of the town.

CHANGE OF ROUTE.—The steamer Highland Light will hereafter leave Baltimore at 7 o'clock every Wednesday and Saturday morning for Cambridge, Oxford and Easton, returning on Mondays and Thursdays, leaving at 7 o'clock A. M.

MARYLAND LEGISLATURE.—The Legislature assembled, on Tuesday the 9th, pursuant to adjournment. The only business of importance was the announcement of the committees, by the presiding officers of the two Houses. In the Senate Mr. Henry appears as Chairman of the Committee on "Chesapeake Bay and Tributaries," also on the Committees on "Judicial Proceedings," "Joint stock Companies and Corporations." In the House Mr. Smith is chairman of the committee on "Internal Improvements," Mr. Radcliffe appears upon the committee on "Education," and Mr. Vickers on that of "Immigration." The name, of each of the Delegates also appears upon several other committees.
