LOCAL & PERSONAL.

WEDNESDAY.....April 3, 1872.

☞ Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

SHAD are $1 a pair in town.

Chicken Pox is spreading in Cambridge—and bad luck to it, begorrah.

It has been very pleasant during the past week—may it continue.

The roads are in good condition—never better.

THE prospect for Spring work with our mechanics is *very good*.

MONDAY last being Easter holiday our Schools were closed.

THE time is drawing near for picnics.

THE Wharton trial will not come up before next month

THIS has been the most backward Spring we have had in this section for many years.

Sunday was a lively April day—all sunshine and showers, (or ought to have been if it was not, it was so like one.)

THE Legislature was to have adjourned on Monday night and doubtless many bills passed during that day, of which intelligence has not yet reached us.

SUBSCRIBE for the CHRONICLE and don't depend upon borrowing it from your more enterprising neighbor.

THE Steamer Highland Light did not reach Cambridge for two hours after her usual time on Sunday morning, on account of fog.

REV. MR. EVANS has arrived and entered upon the discharge of his duties as pastor of the Methodist Church South of this town.

NEW GRIST MILL.—Messrs. Crowell & Co., are putting up their attachment to the steam saw mill in East Cambridge, and in about two weeks will be in readiness to begin operations.

IMPROVEMENT.—Wm. C. Littleton & Son are improving their premises by the addition of a new room. The old one could not hold them and their customers. Look out for a handsome stock of Spring goods

FRESH FISH.—Fish are now being brought to Cambridge in numbers and and the pleasant "tootings" of the horn once more arouse the echoes of morning, reminding one pleasantly not only of the prospects for a good breakfast, but of sunshine, flowers and all the varied pleasures of Spring.

THE BISHOP OF EASTON—Bishop Lay visited our County on Saturday, Sunday and Monday last, and in addition to several admirable parochial discourses administered the rite of confirmation to a number of persons in the Neck and Cambridge Districts.

TROTTING MATCH.—The owners of the Henry Clay having challenged the owners of St. Lawrence Messenger to trot a race—mile heats, two best in three—the latter have accepted the gauntlet thrown down to them, and the match will come off some time between July 20th and August 20th.

Stakes $500, and $100 forfeit to be deposited before may 10th

REPUBLICAN STATE CONVENTION.—We wish our radical friends in Dorset to have "a fair shake" in the State convention of their party, and as they have no organ in this community we again give them notice that said convention meets on the 24th inst., and the primary meetings are being called in the several counties.

LAND SALES.—On Tuesday Sheriff Bennett sold "Phildimmon," the home farm of General Tench Tilghman, 300 acres, to Josiah Caldwell, Esq., of Boston, for $100, subject to $16,500 prior liens. He also sold "Tilbury," 250 acres, the home farm of the late Dr. R. A. Durney, but lately owned by Gen. Tilghman, to Mr. Caldwell, for $100, subject to about $2,500 prior liens.—*Easton Star.*

THE FIFTH REGIMENT.—This justly celebrated regiment is again contemplating a military encampment in the Summer, and we again in the name of our citizens extend to them a most cordial invitation to visit our town.—We are satisfied that if they once pitch their tents by the waters of the blue Choptank, they can never be enticed to *any* inland excursion, however convenient by railroad communication or kind and hospitable their reception.

HOME WINES.—We were presented last week with a couple of bottles of wine by William Grason Esq., one of Concord and the other of the same manufactured into Port, which again demonstrate by their handsome quality the entire practicability of our making a superior wine on this Peninsula. They are very decidedly better than the famous Catawba of Ohio, and are in short as excellent table wines as the heart could desire.

Gen. Jackson of Cambridge has also left with us a specimen of "Lymnaeus Wine" made of the wine plant introduced by him into our County last year, and it is really about as good and palatable a drink as one can wish. It makes 1½ gallons to the plant worth $2 per gallon, is as easily made as cider and the General sells the plants at exceedingly low prices Our farmers should by all means give this celebrated plant a trial, for in it is both pleasure, profit and temperance. It is by the introduction of wine into general use that King Alchohol is, if ever, to be overthrown.

GARDEN SEED.—We have received a nice selection of Garden Seed, from W. H. Jones, Seed Warehouse, No. 1621 Market street, Philadelphia. Those of our readers who may be in want of fresh seed would do well to patronize this house.

THE body of young Granville Anderson of Wicomico Co., who disappeared in Baltimore some two months ago, has been found in the basin. His watch &c., was upon his person and he had evidently been accidentally drowned.

Two British men of War anchored off Annapolis roads on Friday night. The object of their visit is not known.

TOWN MATTERS.—Mr. Cook, the bailiff, is engaged in fixing up those pumps, and handsome new ones now ornament our streets near the old town hall, in front of Capt. Ross' river lot, and on Cedar street at the famous old Bell's pump. Gen. Jackson is "bossing the job," and for fifty years "old Hickory's" name has been a synonym for thoroughness of execution.

We think it would greatly contribute to the convenience of one of the business centres of the town, as well as prove a valuable, if not indispensable, auxiliary in case of fire, if a pump should be put down on High Street at some point between Mr. Craig's Drug Store and Mr. Barnett's dispensory of good things. Furthermore, we assert, and if necessary can prove, that more thirsty men do congregate in that particular neighborhood than in all the rest of Cambridge put together, and we invite the attention of the City Fathers to the necessities of the situation.

SHARP.—Upon going to the Commissioners office yesterday on a matter of business, we discovered two Cambridge beauties diligently examining the records with the view (we suppose) of ascertaining the assessment of the taxable property of the young men about the County; before making up their minds. It reminds us of the story of a smart Westerner who removed to a new State with $1000 in cash, had himself taxed at $75,000, and by the time his money was gone had married himself to one of the richest heiresses in the County, whose papa was perfectly satisfied with the apparent pecuniary status of his proposed son-in-law.

IOWA.—On the 27th the Republicans of Iowa met in convention, appointed delegates to Philadelphia and recommended the re-nomination of General Grant, with James F. Wilson of Iowa for Vice-President.

☞ Judge Jas. A. Stewart has returned, and the Jury will be drawn to-day.

BUSINESS LOACLS.

NOTICE EXTRAORDINARY.—Wm. C Littleton & Son are selling off their Fall and Winter stock of goods at prices astonishingly low, in order to prepare for the Spring season. Now is the time for prudent men to make a good bargain. Call and see.

Who wants a suit of good clothing, made up in the latest style, with expedition, and at as cheap rates as can be found in Dorchester County? Who wants any repairing, securing &c, done cheaply and at once? He has only to call on SAM. R. PENNINGTON at his place of business on Poplar St., and his wishes will receive immediate attention.

If you want a suit of well made clothing, or wish any repairing or scouring done in the clothing line, call on I. N. Elston, High St. Cambridge.

As a dressing, NATURE'S HAIR RESTORATIVE goes ahead of any in the market. See advertisement.

THE AGE.

The Leading Democratic Newspaper in Pennsylvania.

Prepare for the Presidential Campaign.

Bring the truth within the reach of every freeman in the Commonwealth.

Now is the Time—Get up Clubs at Once—Vigilance and Energy in the Present Gives Double Assurance of Success in the Future.

THE AGE is the firm and earnest advocate of Democratic principles as declared by the founders of the Republic and embodied in its institutions. To defend and maintain them is its constant aim, and it is the persistent and vigilant advocate of reform, general and municipal. It has sought no alliance with any clique or class interests: it has been subject to no corrupt influence; but has labored without fear or favor, for the general good.

While no expenditure is spared in any of the channels of newspaper enterprise, the AGE is aided by no official patronage, but relies on the subscriptions and support of individual Democrats, who would maintain the principles of their party, and of intelligent opponents who desire to see men and measures freely canvassed, and hear both sides of public questions. Few men of any party deny that free and fearless discussion by the press is now the best defense of the interests of every citizen, against fraud, peculation and injustice.

The DAILY AGE contains the latest intelligence from all parts of the world, with articles on Government, Politics, Trade, Finance, and all the current questions of the day; Local Intelligence, Market Reports, Prices Current, Stock Quotations, Marine and Commercial Intelligence; Reports of Public Gatherings, Foreign and Domestic Correspondence, Legal Reports, Book Notices, Theatrical Criticisms, Reviews of Literature, Art and Music, Agricultural Matters, and discussions of whatever subjects are of general interest and importance. Besides special telegrams, it has all the dispatches of the Associated Press from every part of the world.

The AGE is the only Democratic morning paper in Philadelphia in the English language, and is therefore one of the best mediums of Advertising.

The WEEKLY AGE combines Literature with News of the day. In its columns are Stories, Poetry, departments for Ladies and Children, Agricultural items, Sunday reading, etc.

The WEEKLEY AGE is acknowledged to be the best Family Journal printed in Philadelphia.
