LOCAL & PERSONAL.

WEDNESDAY,.....April 10, 1872.

☞Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

PAY the printer.

MONEY is scarce.

CAMBRIDGE is improving.

Snakes have appeared.

SHAD are selling at 50 cts., a pair.

ANOTHER slight fall of rain on Sunday last.

No beef in market—nor has been for the past two week's.

THE printing man is ever grateful to him who sends him a local.

ALL persons who are in want of a good country paper would do well to subscribe to the CHRONICLE immediately.

THE April Term of Court commences on the 23d inst. Its duration will be short.

THE Hon. Wm. H Hooper, formerly of this county has been elected U. S. Senator for Deseret.

ACCIDENT.—Pat Riley (colored) was severely injured at Linkwood on Thursday while working on Capt. Conoway's timber, being crushed under a heavy log that slipped upon the skids.

MUSK RAT BILL.—We were misinformed when we stated in our last issue that the bill extending the time for catching these sweet scented animals had passed. It was one of the bills laid over.

NEW PAPER —A paper, "neutral in politics," "live" and "go ahead" is about to be started in Vienna. Its name will be "The Vienna Clipper," and good luck to it and all other enterprises say we.

ENCOURAGEMENT FOR THE DOUBTFUL. Mr. Samuel Fluharty of Federalsburg informs us that when last year he had made 14000 boxes for fruit &c., he thought it was a pretty big thing. He already has orders for over 30,000 this season. Blessed be railroads that wake up the people.

GAS.—We are happy to announce that Gas is once more to illuminate our streets at night and relieve the darkness of its inconveniences and its fears. Thanks to the most efficient collecting of the present bailiff, the town is nearly out of debt, has money in the treasury and is in a general state of financial prosperity. But for accident the lamps would have been lit on Saturday night.

THE SPRING HILL.—While the town is busy in setting itself to rights, there is one neglected spot just in the centre of it which sadly needs repairs. This is the beautiful valley usually known as "The Spring Hill" which is the property of the County and not of the town. For the credit of the County and the Seat of Justice that overshadows it, surely the small sum needed might be appropriated for the adornment of the metropolis.

☞It will be seen that Mr. Wm. Hemsley has resumed his connection with Godfery Keebler of cracker fame. How the latter should have consented to part with the most successful traveling agent that ever visited the Eastern Shore on any terms it is hard to tell, but however that may be, Mr. K. has once more secured his services. See advertisement in another column.—Send your orders to Easton.

THE MAILS.—The new contracts on mail routes have just been published.

From Federalsburg to Smithville, D. S. Farrigan at $84.00.

From Cambridge to Hill's Point, to Thos. E. Thomas, at $100.00.

From Cambridge to Church Creek, to Joshua B Richardson, at $165 00.

The route from Easton to Federalsburg will be discontinued after June, when all mails for that portion will go by rail.

APPOINTMENTS.—The following executive appointments were confirmed by the Senate on Monday night. Weigher General of Grain, Edgar Plummer, of Caroline county; assistants, Thomas J. Clark, of Talbot; Highland G. Dudley, of Queen Anne's; Daniel Lloyd, of Dorchester; Eldridge W. Gallop, of Harford; Harry Gilmor, of Baltimore city.

State board of education, Peter Whitman, of Washington county; George M. Lloyed, of Charles county; Dr. Samuel Kepler, of Baltimore county, and George F. Bevan, of Caroline county.

DENTON.—We had occasion to visit Denton last week and noted some slight improvements made there since we saw the town in 1870. Mr. Fell, the enlightened proprietor of the brick hotel, took excellent care of us during our stay and was all that a courteous and obliging landlord should be. All the outstanding matters between the D. & D. R. R., and citizens of Caroline Co., were settled amicably. Shad and herring raged, and we were again impressed (as we always are) with the high state of cultivation of the lands in Caroline bordering on the Choptank and the appearance of neatness and comfort that pervades the dwellings.

We learn that Mr. G. W. Parsons has sold the schooner Laura Gordon to a gentleman named Phillips, who will run her on the Nanticoke river.—*Bachelor Sals*

LOSS TO SCIENCE.—Prof. Morse died on the 3d inst after a lingering illness. and another luminary of the scientific world is extinguished.

RHODE ISLAND.—On the 3d inst., the Republican State ticket was elected by about 1100 majority, excepting only the Lieut. Governor who was defeated by C. R. Cutter, Democrat.

NEW POSTMISTRESS.—Mrs. M. E Sherwood has been appointed postmistress at Hillsborough, *vice* Isaac Dixon resigned.—*Denton Journal.*

CONNECTICUT.—Latest returns show the election of Jewell, Republican, by only 30 majority.

Special Notice.

All persons indebted on account of town taxes are hereby requested to come forward and settle up. Otherwise, at the expiration of the notices that have been served, each and all will be advertised and I shall proceed to collect according to law.

WM. A. COOK, Bailiff.

THE AGE.
The Leading Democratic Newspaper in Pennsylvania.
Prepare for the Presidential Campaign.
Bring the truth within the reach of every freeman in the Commonwealth.
Now is the Time—Get up Clubs at Once—Vigilance and Energy in the Present Gives Double Assurance of Success in the Future.

THE AGE is the firm and earnest advocate of Democratic principles as declared by the founders of the Republic and embodied in its institutions. To defend and maintain them is its constant aim, and it is the persistent and vigilant advocate of reform, general and municipal. It has sought no alliance with any clique or class interests; it has been subject to no corrupt influence; but has labored without fear or favor, for the general good.
While no expenditure is spared in any of the channels of newspaper enterprise, the AGE is aided by no official patronage, but relies on the subscriptions and support of individual Democrats, who would maintain the principles of their purty, and of intelligent opponents who desire to see men and measures freely canvassed, and hear both sides of public questions. Few men of any party deny that free and fearless discussion by the press is now the best defense of the interests of every citizen, against fraud, peculation and injustice.
The DAILY AGE contains the latest intelligence from all parts of the world, with articles on Government, Politics, Trade, Finance, and all the current questions of the day: Local Intelligence, Market Reports, Prices Current, Stock Quotations, Marine and Commercial Intelligence; Reports of Public Gatherings, Foreign and Domestic Correspondence. Legal Reports, Book Notices, Theatrical Criticisms, Reviews of Literature, Art and Music, Agricultural Matters, and discussions of what ever subjects are of general interest and importance. Besipes special telegrams, it has all the dispatches of the Associated Press from every part of the world.
The AGE is the only Democratic morning paper in Philadelphia in the English language, and is therefore one of the best mediums of Advertising.
The WEEKLY AGE combines Literature with News of the day. In its columns are Stories, Poetry, departments for Ladies and Children, Agricultural items, Sunday reading, etc.
The WEEKLEY AGE is acknowledged to be the best Family Journal printed in Philadelphia.

HOW LOST, HOW RESTORED,

JUST published, a new edition of **Dr. Culverwell's Celebrated Essay** on the *radical cure* of certain weaknesses, the effects of Errors and Abuses in early life.
The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of such errors and abuses may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, & effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and *radically*.

THIS well known favorite hotel has recently been renovated, remodeled and furnished new and elegantly throughout. It is kept on the European plan, and has ample accommodations for four hundred guests.
The location is more accessible to all parts of New York and Brooklyn than any other house in the city. The Broadway Stages pass the hotel every three minutes, besides various lines of Street Cars, one of which intersects every other route in New York.
It being but two blocks from Fulton Ferry, makes it convenient for those wishing to visit the "City of Churches," as from this ferry diverge all the principal Railroad routes in the city of Brooklyn.
