The laudable purpoſe of this lottery, the many very valuable prizes offered, and there not being two blanks to a prize, are conſiderations which give the managers reaſon to hope for a rapid ſale of the tickets. The drawing will commence as ſoon as a ſufficient number of tickets ſhall be ſold to authoriſe it; and thirty days after the completion of the drawing, the prizes will be paid to the fortunate adventurers, ſubject to a deduction of *fifteen per cent.* Such prizes as ſhall not be demanded within twelve months after the drawing is finiſhed, ſhall be conſidered as relinquiſhed for the benefit of the church.

For the ſatisfaction of thoſe at a diſtance, it may be neceſſary to mention, that the managers have given bond to the mayor and city council, in the ſum of 120,000 dollars, for the due payment of the prizes which may be drawn.

Tickets to be had of the managers, or of ſuch perſons as may be appointed by them.

## Cathedral Church Lottery.

ABOUT *one third* of the tickets being already diſpoſed of, and the demand for them from various parts of the *United States*, as well as from *foreign countries* being of late very conſiderable, the managers expect to commence the drawing early in the Spring.

As many perſons have expreſſed a doubt about the meaning of "The *firſt* drawn ticket after 2000, 4000, 6000, &c. having a blank to its number, will receive 500 dollars, &c. as mentioned in the ſcheme," the managers inform the public, that the meaning is, whoever draws the firſt *blank* after 2000, 4000, 6000, &c. tickets are out of the wheel, will be entitled to 500 dollars, &c. ſubject to the uſual deduction of *fifteen per cent.*
