LIBERATION OF DORR.—The General Assembly of Rhode Island have passed an Act of amnesty granting a pardon to all persons engaged in the rebellion in that State unconditionally, and restoring to them all the privileges of citizenship as soon as they shall have taken the oath of allegiance to the Constitution of the State. The bill passed the Senate without a division: in the House the vote stood 57 for it to 9 against it. The Providence Journal of Saturday says:—

Thomas W. Dorr was released from prison yesterday, in accordance with the provisions of the act of amnesty. Some of his friends, who betrayed and deserted him in the hour of danger, took occasion to manifest their devotion to him by firing cannon. They afterwards formed a proceession, headed by a drum and fife, and escorted him to the house of Hezekiah Wilerd, Col. Wales, of course, acting as marshal.

This act does not restore Mr. Dorr to his rights and privileges until he has taken the following oath:

"I do solemnly swear (or affirm) that I will bear true faith and allegiance to the State of Rhode Island and Providence Plantations; and that I will support the Constitution of this State. So help me God. (Or this affirmation I make, and give upon the peril of the penalty of perjury.)"

The N. Y. Journal of Commerce approves of the action of the Assembly, but remarks—

"We regret exceedingly that the country is to be deprived of the benefit of a judicial decision on the principles of Dorrism, by the Supreme Court of the United States. If there are any considerable number of people in any part of the land, who honestly believe these principles to be correct, it is of great importance that the highest judicial tribunal in the nation should pronounce its verdict in the case, lest the scenes of Rhode Island should be acted over again, as they are at any time liable to be, and with more tragical results, in that or some other State. But we trust the number of such persons is small, and is every day becoming less. And now that Dorr has been let out of prison, it is probable that after the first burst of patriotism on account of his liberation, neither he nor his principles will be much more thought of."

EPISCOPAL CONVENTION OF N. YORK. According to the New York Herald, the meeting of the Episcopal Convention of that State, which is to be held next month, is looked to with anxiety. It will be held (says the Herald) "for the purpose of considering the condition of the Episcopate, and settling the important question whether a church can exist without a Bishop. There is a great deal of interest felt in this matter, in consequence of the peculiar position in which the Bishop has been placed by the recent trial in this city. The party attached to the Bishop consider that he is in reality *de jure et de facto* Bishop, and the probability is that he will, in the approaching Convention, undertake to preside in that body in that capacity. This will, of course, produce a great deal of irritation on the opposite side, and much general excitement will be produced. Some are almost declaring in advance that they will vacate their seats, and back out from the Convention altogether, if the Bishop attempt to preside."

SHAMEFUL.—We learn that the most shameless imposition is practised upon many of our public men, by persons soliciting personal favors to themselves. The hero of the Thames, since his arrival here, has been deluged with letters, from office-seekers, few of whom remember to pay their postage. It is an abuse which is disgraceful to the last degree.—*U. S. Jour.*

GILDERSLEEVE AGAIN WINNER.—The foot race was run over the Cambridge Trotting Course on Tuesday afternoon, according to advertisement. Of the numerous entries only three did the ten miles within the hour—namely:

| | | |
|---|---|---|
| Gildersleeve, of N. York, | 57m. | 19s. |
| Gavanaugh, of Conn. | 59 | 19 |
| Desmond, of Boston, | 59 | 56 |

The first took the purse $500; the next best, Cavanaugh, won $100, and Desmond $50. The spectators were very numerous, perhaps 5,000.

A DECISION.—Some boys, were indicted in Rush county, Indiana, not long since, for distributing an Abolition meeting, where a man Hull was to make a speech. The jury acquitted them on the ground that an Abolition meeting was not a lawful assemblage, peaceably assembled for a lawful purpose.

VOTING IN CONNECTICUT.—Petitions were sent to the Legislature of Connecticut, praying that people of color be allowed to vote at elections. The memorial was referred to the proper committee, which reported against granting the prayer of the petitioners, and the House accepted the report unanimously.

CAPTAIN RYNDERS.—Capt. Rynders, of the Empire Club, has been appointed Measurer in the New York Custom House.

There is a man in St. Louis who does nothing all the time, and piles it up the next day. He has a clerk to keep tally.

## DEATHS.

Died, on the 18th ultimo, Mr. JAMES LOSSON, of Clarksburg district, aged about 70 years.

Died, on the 20th ultimo, Mr. JOHN ADAMS, of Cracklin district, aged about 60 years.

Died, on the 24th ult. at the residence of her parents, near this village, Miss SARAH, (eldest daughter of James and Eleanor Offutt,) aged 17 years.

By the death of this young lady, we are again reminded of the uncertainty of life. Little time has elapsed since we saw her amongst us in the bloom of health and beauty—the pride of her friends, and admired of her acquaintances. But she has passed away from this world of care, to her place of rest. This reflection should console the hearts of her fond and bereaved parents. R.
