† Note The Public Vault is intended & charged for use of lot holders in case of Funerals, & separate & distinct from the Vaults & Bodies intended to remain temporarily placed therein.

Note * The Board have increased the charge for Sodding, because of the difficulty in growing Sods and the increased distance of the point where they are obtained, and anticipate the necessity in a short time of discontinuing the use of Sods altogether, they would recommend in all cases that the lots be graded and planted with grass seed
