— Organ —

Agreed to call Mr. Gehring to look after organ & to meet trustees Friday evening June 27th.

— Captains and Lieutenants —

Pastor referred to the fact that a number of them had applied to have orders turn out and sermons preached in order to raise their money, and expected that there would be so many calls along that line as to seriously interfere with the regular services, and desired an interchange of views about the matter. Motion passed to have the captains and lieutenants called together as early as practicable to have a friendly talk over the matter.

— Mrs. Brasslon —

Called on the Pastor to know if her association would be allowed credit for money raised by divisions under its members. Motion to appoint committee to wait upon Mrs. B. and explain the difficulty. Pastor appointed J.H. Smith.
