Adjourned —

August 29, 1904.

Regular monthly meeting of the trustees of Sharp St. M. E. Ch.
Present — Dr. Thomas, Keene, Tipps Butler, Brooks, Amack, Hardy

Opened with devotional exercises by Dr. Thomas.

— Removals in Cemetery —
The agent stated that it is very probable that some persons holding lots in the old part would wish to purchase lots in the new part & remove their dead and where they have three or more bodies in a lot it would be quite expensive. The agent suggested that where this occurs and the parties will surrender the lot in the old part that the trustees remove & rebury the dead without charge. Agent was given authority to make satisfactory arrangements with lot owners.

— Odd size lots —
Agent stated that in consequence of change of size from the old plan there were a few odd sizes namely 8x14 for which he had charged ~~$30~~ & 12x14 for which he had charged $35.00. Approved.

Sunday School —
Asked for use of lecture room for Thanksgiving Day. Referred to Pastor with power, provided entertainment is of a suitable character.
