Committee recommends

1. A return to the original plan of monthly collections on a day known as Trustee's Day.

2. The preparation by the Class Leaders of full and accurate lists of membership of classes with subscriptions by members, subscriptions to be paid monthly as above.

3. Where members are also connected with organizations working in the interest of the church they may have the option of contributing through the class or the organization.

4. The organization under the direction of the pastor, or such discreet person or persons as he may select, of non members who may wish to help in the liquidation of the debt.

5. The keeping in an account book prepared for the purpose all such subscriptions and payments with an annual publication

2

of the same at the close of the Conference Year.

6. The systematic and continued demand made upon every member of the Church to carry his part of the burden of our debt.

7. A summary of the class, organization and public collections to be given in the Messenger as soon after Trustee's Day as possible.

8. In order that accurate accounts of contributions can be kept, envelopes shall be furnished through the Class Leaders, heads of organizations and otherwise, to contributors and subscribers.
