Mr.
Mr. Twamley representing the company referred to last meeting was present with a plat showing the route of the company's tracks & that it would require about 1/3 of an acre of our property adjoining Mrs. Franz. On behalf of the committee appointed last meeting the pastor made a lengthy statement setting forth the value of the property on a basis of 136 lots in the 1/3 of an acre at $20 per lot, which would amount to $2720.00. The income on the same for valuation, sodding &c would be 25% more. That we would place against the cost of improvements. After considerable deliberation Mr. Twamley was asked to vacate in order that we might deliberate privately, which he did. J. H. Smith moved that we offer them about 1/3 of an acre for $2720.00 Motion was seconded and carried unanimously.

The trustees also concluded to make the following requests of the company. That the side next to the cemetery be sloped so that it could be beautified by sodding flower beds &c & that the company place a station as near as practicable to the cemetery to be called Mt. Auburn.
