Bro. Jno. S. Hardy.

By motion of Mr. Hawkins the secretary was directed to send a letter of sympathy to Bro Hardy on account of the loss of his son by death.

Broken lock

The sexton reported that he supposed someone was locked in the church at the close of the Young People's Meeting on Sunday Dec. 30 and forced the main door open & broke the lock so badly that it will have to be replaced by a new one. Had seen a locksmith who said he would have to write to Cozzu. where the lock was made. That was a week ago & we have heard nothing from him yet. The sexton was directed to see that the toilets are cleaned before locking up.
