June 3. General Conference of 1908.

J. H. Smith asked in case they should want the use of our church during the general conference for committee meetings and other purposes, where the same do not conflict with our services. Motion by Rev. W. A. C. Hughes that brother Smith be authorized to grant the use of the church if required. Also that he be authorized to pledge our church for any reasonable amount financially for general conference expenses, if necessary.

Adjourned.
