March 6th continued.

Cemetery. We should get our business in such shape as to make it real business and reduce embarassment to the minimum. We should protect the man who superintends as well as ourselves. At present we have a most conscientious and upright man. Let us see that he does not suffer embarassment.

I recommend. First. That the sale of lots be recorded on a report sheet especially prepared for that purpose a sample of which I submit.

That reports be made triplicate and a copy given the Agent, the Secretary and one retained by the Superintendant.

That these reports cover all phases of the cemetery work.

That reports be made Friday night of each week.

That burial permits accompany the reports sheets.

Julius Johnson moved that the system presented by the pastor be adopted was duly seconded and prevailed.

Second. I recommend that an agent be appointed to look especially after Cemetery business and that there be a standing committee of three Trustees to give especial thought to the care and development of the Cemetery but that no final action be taken involving the expenditure of more than $50.00 without special action by the Board of Trustees.

On motion the recomendation was approved.

March 6th continued

3rd Pay of the Agent and Secretary of Board.

The work involved in the management of the cemetery and the keeping of our records deserves compensation. We must bear in mind however that ours the work of the church and of God and the spirit of sacrifice should be prominent.

We now pay to workmen $49.00 per week — A fuel bill $130.00 per year.

Refer to Annual report.

We pay 8% on business done for Agent and 10% to Undertakers for selling lots.

I am frank to say that I think this sum to large and ought to be reduced

I would recommend that we pay $125.00 to the Secretary and Agent the same to be divided $50 & 75 and make it our purpose to let as much money as possible go toward our indebtedness.

That this same be paid quarterly.

Collections for Sodding and Care 10% commission to agent

Collections of rents 6% commissions

On motion the recommendation was adopted.

Committees.
