## Late Meetings

There was considerable discussion about our church being open so late at night, because of the numerous meetings held opening so late. It was moved that a letter be drawn up requesting that all meetings close by eleven O'clk. Be submitted to the Board and published in the Messenger, was duly seconded and prevailed.

## Lights for Class rooms.

Attention was called to the need of more lights in the Class rooms. Thos. Brooks moved that we have the same kind of lights put in the Class rooms that we have in the Lecture room, was duly seconded and prevailed.

## Needs of Parsonage.

The attention of the Board was called to the condition of the mattresses and bed springs at the Parsonage. Solomon Tripp moved that we get new mattresses and springs or such things as are needed was duly seconded and prevailed.

## Surveying
