Special Meeting

Baltimore May 9, 1921.

The trustees met on the above date and the meeting was opened with prayer by the president.

The supt. of the cemetery Mr. J. Mixon was present, and was questioned concerning the workmen and their duties at the cemetery. Complaints had been made that money had been paid to the workmen for work to be done for individuals, and the work had not be done.

The supt. stated to what extent he allowed the men to receive money from the lot owners. He was instructed to discontinue this practice, and was emphatically informed that all such work for which he allowed the men to receive pay, must be done through the main office. The secretary was instructed to see that the telephone at the office in the cemetery be changed, and a slot telephone be installed instead of the one in present use.

The matter of lighting the Community House was next considered.

On motion of Wm. J. Butler, it was decided to award the contract for lighting said Community House, to Blumingthal & Kahn Co.
