9 East Franklin Street,

Baltimore, Maryland.

Gentlemen:

For use in a claim for reimbursement in the case of Eliza A. Bradley, widow's certificate No. 384,810, who died November 9, 1913, at 677 Sarah Ann Street, in your city, kindly furnish a statement under cover of the enclosed penalty envelope, which requires no postage, showing the value of the policy carried on the pensioner's life, the date of issue; premium rate; the name of the person to whom the insurance was paid, and by whom the premiums were paid, if shown by your records.

It is alleged by the claimant in the case that the deceased pensioner had a policy in your Company, but that the same lapsed because of non payment of dues.

Very respectfully,

G. M. Saltzgaber

Commissioner.
