from thursday until saturday
morning we the undersigned do
say that one Amy Young second
wife of said Robert young has
filed a claim for disability contracted
during the war in said service in
the army of the United States and
protest that any such claim should
not be allowed as Amy Young is not the lawful widow
wife for we attended at Kansas
Missouri where the said Robert
Young died and we know that
she did not file a Libelum till
because he the said Robert Young
had destroyed his Licenses and she
was waiting for a copy to apply
for a copy of her former license
at Kansas Missouri and the
court refused after the Kansas
City Republican Convention
of the Republican party
