Respectfully referred to Bvt Maj. L. G. Swaim U.S. A. & A.A.G. District of Ches Va & N.C. with request, that information be furnished this Office regarding the within case. Mrs. Robinson persists that the claim was filed through Mr. Bascom as Agent of the Sanitary Commission and she declares never to have heard of "J. E. Fitch" either by word or correspondence, much less to have authorized said Fitch to prosecute her claim for Pension, which is registered as M 106.032. The woman is in destitute circumstances.
