Servant Problem Solvers.

The United States Domestic Service Corporation, with its executive offices at Washington, D. C., is opening up about 100 branch offices throughout the United States. It has a big institution, run by big people on big lines. Applications for domestic situations wanted are registered, investigated and the servant placed without a penny of expense to the servant. Those who want servants pay all the expenses. We can use none but honest and reliable help, who will bear the fullest investigation, as we guarantee their fidelity, with about ten million dollars behind the corporation making the guarantee.

Our BALTIMORE office is at 823-824 FIDELITY BLDG., and the Manager in charge is MRS. RANDOLPH.

When we are ready to place servants the matter will be duly advertised. For next week we are registering WHITE servants ONLY. Our advertising slogan is "S. P. S.," meaning Servant Problem Solvers. Watch these columns for the class of help wanted.
