12c Buttercrust Pies filled with Country Made Preserves 9c

Our 12c. Buttercrust Pies are famous throughout the city, but never before have we sold Buttercrust Pies, filled with genuine country-made preserves, and this preserves was made especially for us by Chestnut Ridge farmers (no factory stuff), and besides, the fillers will be extra heavy; no filler weighing less than at least 8 ounces; some more. The entire pies weigh from 14 to 16 ounces each and they are only sold at 9c., simply to increase the sales of this department, as no doubt every department in our house will go largely ahead and the bakery does not want to be left behind. This Has Been A Most Disastrous Season For Mills And Factories Hence This Mammoth Sale

Hardly any cold weather, and the left-over stocks were immense! Mills and factories throughout the country were clogged up with merchandise of all descriptions and ready cash was badly needed by mill owners and manufacturers. Bernheimer has now relieved these conditions to a great extent, for we foresaw these conditions, and early in the season, when our competitors were still selling their goods at regular prices, we reduced ours and sold down and regulated our stocks to such an extent that we were in position about two weeks ago to send forth our buyers into the overstocked mills and factories to buy up all surplus stocks—of course, with the proviso that the prices were at least one-third to one-half off the regular prices. That they have more than succeeded will easily be proved by the bargains offered in these columns.

So, beginning with today, we start a "MILL and FACTORY OUTLET SALE," with the most wonderful bargains ever offered in the history of Bernheimer's career, and you all know that we have well earned our title, namely, "The Greatest Bargain Merchants in the World." So be here bright and early this morning and you will witness the opening of the greatest, most wonderful bargain sale ever attempted, even at Bernheimer's, where bargain sales are the order of every day. This page contains but a few of the many bargains that await you. The entire Big Home Stores are brimful with the most wonderful values ever put forth. So be wise and take advantage of this opportunity.

We Cannot Fill MAIL, PHONE or C. O. D. ORDERS on any of the articles advertised in these columns. We solicit a personal visit from you and Positively REFUSE to sell these advertised items to dealers or children.
