We inaugurate tomorrow a clearance event of rare importance---a

of Furniture, Carpets, etc.

The little prices on each Red Tag will make new records for value-giving. They stand for great bargains in furniture sound to the heart—made on honor and sold with our guarantee for satisfactory service. This is our annual tonic to liven up the so-called dull months of the year when business stagnates without the stimulant of extreme low prices. The tags tell the story—a short, precise one of decisive savings. Compare the original and the present price. Let the Red Tags lead you to the biggest—and best—values of the year.
