Goods Selected Now Will Be Held For Later Delivery If Desired---And Bills May Be Settled At Convenience Of Purchasers =:= =:= =:=

THE purpose of our February Sale is to gain advance spring business. To this end the best manufacturers of the country are co-operating with us. The manufacturer benefits even more than the retailer by getting advance business, for it facilitates his shop-work and relieves his shipping pressure on late orders, besides increasing his volume of trade. Thus with the manufacturers' discounts to us, plus our sacrifice of part of our fair profits, we are able to offer during February 15% to 33⅓% discounts on every line of goods (Except Pianos, Talking Machines and "Eddy" Refrigerators).
