SENATOR BORAH TO POINT WAY

PARTY RECONCILIATION IS HIS SINCERE HOPE.

WILL BE HERE LINCOLN DAY

His Speech In Response to Toast, The Republican Party, at Banquet of Union League, Is Anticipated With Much Interest—Other Features of Occasion—Program of Progressives at Their Banquet on Same Evening.

The annual banquet of the Union League of Maryland, in the Fifth Regiment Veteran Corps' Hall, on Wednesday evening, Lincoln Day, promises to become an historical event, a nation-wide event, because at that banquet there will be delivered a speech by a man who commands attention and respect that will lead, if anything can, to a reconciliation of the Republican and Progressive parties, the reformation of party lines that will mean a solid, aggressive party to oppose the Democratic party.

This speaker will be Senator William E. Borah, of Idaho, who has recently been re-elected for a full term of six years. Senator Borah's speech will be received with marked respect by Republicans and Progressives alike, because, of the national leaders, he is one who has the confidence and the esteem of the two wings of the party. Mr. Borah loomed up large in the National Republican Convention. As a member of the national committee it fell to him to participate in the stormy proceedings of that committee in forming the temporary roll-call. This task carried with it the passing upon the credentials of the contesting delegations from several states.

Senator Borah fought for every inch of ground claimed by Colonel Roosevelt, but he fought fairly, judiciously and without rancor. He recognized that the fight was within, and not without, the party, as it subsequently became when Colonel Roosevelt and his followers formed the Progressives and fought the Republicans even harder than they fought the Democrats.

When, however, the fight was over in the National Convention, when President Taft was the victor, Senator Borah, recognizing that the Republican party was larger than any individual and that its interests outweighed those of any individual, remained true to that party.

Senator Borah's speech is awaited with much interest, because it is expected to sound the keynote by which the amalgamation of the divergent elements may once more be brought into union. He will point the way by following which the Republican party can be sufficiently modernized to meet the demands of those Progressives who are demanding more liberal policies. It is urged that if they could follow his leadership in the national committee they can now listen to his counsels.

Another speaker of prominence will be Senator Porter J. McCumber, of North Dakota, who will respond to the toast, Abraham Lincoln. Senator McCumber takes his Republicanism strait.

Other distinguished speakers will include Congressman Frank B. Willis, of Ohio, and Senator W. P. Jackson. Mr. Willis was re-elected last November, defeating his Democratic and Progressive opponents. Mr. Jackson will speak on Maryland. He will officially represent the state in the absence of Governor Goldsborough, who, with Mrs. Goldsborough, will leave today for a Northern tour. It will be the first vacation enjoyed by the Governor since his inauguration over a year ago. He had arranged the trip before he received the invitation to attend the banquet. A letter from him will be read expressing his inability to be present.

Gen. John R. King will be the toastmaster at the banquet. There will be a dozen or more prominent guests in addition to the speakers. There are about 175 subscribers. A committee representing the Union League will go to Washington in a club car of the Baltimore and Ohio and will escort the speakers and other guests from Washington, arriving at Camden Station at about 5 o'clock. The visitors will be conveyed to the Hotel Rennert, where they will remain until 6:30 o'clock P. M., when they will be conveyed to the hall of the Fifth Regiment Veteran Corps on Madison avenue, where the banquet will be served. The speakers, other guests and the Union League committee will be seated at a long table. Other diners will be seated at group tables. The decorations will be flags and bunting and cut flowers. Farson's Orchestra will furnish the music. Hughes will be the caterer.

Among the out-of-town guests who are expected are Secretary of the Treasury Franklin MacVeagh, Assistant Secretary of the Treasury Robert O. Bailey, James B. Reynolds, former assistant secretary of the Treasury and now secretary of the Republican National Committee; Frank M. Halstead, chief of the customs division of the Treasury; Col. Charles Lyman, chief of the division of appointments, United States Treasury; Chief John E. Wilkie, of the Treasury; Congressman Thomas Parran, Arthur J. Tyler, deputy commissioner of navigation; John B. Hanna, chairman of the Republican State Central Committee; Henry A. McComas, of Hagerstown; Albert G. Towers, of Denton, and J. Carlisle Wilmer, of La Plata.

Musical at Mrs. Owens' Home.

Members of the Ladies' Auxiliary of the Chesapeake Council, United Commercial Travelers of America, gave a musical last Thursday evening at the home of Mrs. N. Reese Owens, 2603 North Charles street. Among those who charmed the company with their talents were Miss Marjorie Maas, pianist; Miss Ethel Henderson Thompson, mezzo contralto, and little Miss Lillian Gore, elocutionist.

Bluejackets for the Navy.

The United States Navy continues to prove an attraction to young men. For the week ended Saturday there were 18 applications, of which seven were accepted. Those enlisted are: John Lawrence Sullivan, 322 D street, Sparrows Point; Harry Wilson, Hagerstown, Md.; Charles McGill Whitney, Catonsville; Joseph Lewis Mailander, Wilkes-Barre, Pa.; Robert Conway, 831 North Wolfe street. From traveling recruiting party, Altoona, Pa.; Albert Jacob Reddinger, Johnstown, Pa.; Chester Garfield Williams, Osecalo Mills, Pa.

Discharging Ore; to Take Rails.

The steamer Luchana is at the ore piers of the Maryland Steel Company, at Sparrows Point, unloading a cargo of iron ore which was brought from Cuba. She will take on a cargo of about 2,000 tons of steel rails and fittings, which are for the National Railway of Mexico. The ship will dock at Tampico.

Collier's Trial Trip in March.

The collier Jason, which the Maryland Steel Company, at Sparrows Point, is building for the United States Government, will, it is expected, have its official trial trip on March 10. This collier is 542 feet in length, which is equal to the largest vessels ever built in this port. Only two other boats, which were sister ships, are equal in size to the Jason.

It is expected that the steamer Pennsylvanian, under construction by the Steel Company for the American-Hawaiian Steamship Company, of New York city, will be launched next month.
