A QUIET EASTER SUNDAY FOR BIRDS

THEY WELCOME DAY OF REST AT FAYETTEVILLE.

MEMORABLE MOTORCAR TRIP

Secretary Wicks, Two Orioles and Several Newspaper Men Have a Thrilling Auto Ride From Southern Pines—Pitchers Fred Banker, Bob Shawkey and Lefty Russell Nursing Sore Whips—Others Also on the Ailing List.

Special Dispatch to The American.

Fayetteville, N. C., March 23.—Easter Sunday was spent quietly by the Orioles, many of the boys going to church, others walked and went horseback riding, and those who made the memorable auto trip over from Southern Pines last night slept practically all day.

The day of rest was welcomed, especially by Pitchers Fred Banker, Bob Shawkey and Lefty Russell. This trio are nursing sore hips, and in consequence Trainer Walter Fewster was one member of the Baltimore party who wasn't allowed to take today off.

Infielder Tom Downey and Catcher Gene Lidgate are also stiff and sore. Downey played in the outfield in the game here Saturday, because his arm was in no condition to peg across the diamond.

After working along very carefully the first week at Oriole camp Catcher Lidgate was forced to cut loose in the series with the Phillies, and so many Quakers got on bases and attempted to steal that he strained his shoulder a bit. He is a fine pegger at that, and had the pitchers held up the Philly baserunners a little better he would have stopped more of them.

Fayetteville Best Place.

Having received a verbal report from Secretary Wicks of the grounds at Wilmington, Manager Dunn has finally decided that Fayetteville is the best place for the Birds to train. Tomorrow he will meet the owners of the field where the team is playing and will sign an agreement for next year from March 8 to 20. The Phillies would like to shift their camp from Southern Pines to this town, but they haven't a chance.

The chief topic of conversation today was the auto trip last night, and Secretary Billy Wicks, Players Cooper and Gleichmann and the several newspaper men in the big touring car which broke down 10 miles from town had to stand for a lot of kidding.

After picking the fastest car they not only got in last after a walk of four or more miles, but had two narrow escapes. Burning up the pike at a 40-mile clip a fallen tree half-way across the road was missed by a foot. Only that the driver was forced to slow up to cross a bridge prevented what would likely have been a serious accident, the axle breaking and the wheel dropping off just on the other side. Had the trouble occurred when the machine was speeding the whole party would have been tossed out.

Have Narrow Escape.

The auto which had the accident was a big seven-passenger touring car, and being by far the best of the four, was expected to beat the others in by half an hour or more. Ten miles out of Southern Pines the driver of the big red devil turned her loose, and the machine ate up the ground at the rate of 50 miles per hour. Gradually the other autos lost ground, and in a few minutes before the axle broke the lights of one of the machines in the rear could be seen bobbing over a hill at least seven miles back. Those in the leading car were just congratulating themselves on being so far ahead in this mad night race when the rdiver slowed up to cross the bridge. A deep puddle was on the other side, and in this the big machine stopped and was tilted over on its side and deserted when the other machines came up. The first car to reach Fayetteville came back after the walkers.

JACK DUNN'S FATHER DEAD

Manager of Orioles Called Back From Fayetteville, N. C.

After an illness of five months, John J. Dunn, father of Jack Dunn, manager of the Orioles, died at 7.40 o'clock last night at his home, 429 Eversham avenue, Govans. Death was due to internal trouble and the infirmities of age. Mr. Dunn was 74 years old. News of his death was sent to Jack Dunn, who is in training with the Baltimore Baseball Club in Fayetteville, N. C., and he left there at midnight for this city. He will arrive today.

Mr. Dunn had been in ill health since last November. Several days ago his condition became critical. Born in Newfoundland, Mr. Dunn went to live in Chicago when a youth. He married there and engaged for many years in the cooperage business. In June, 1912, persuaded by his son Jack and other relatives here, he came to Baltimore with his wife to live, taking up his residence within a few blocks of Jack Dunn's home, which was then on Greenmount avenue. Later, Mr. Dunn went to live in Govans, near the present home of his son. On the tenth day of last month Mr. Dunn and his wife celebrated their fifty-second wedding anniversary. Surviving Mr. Dunn are his widows, three sons (William, John, Jr., and James Dunn, of Chicago) and two daughters (Mrs. Catherine Murphy and Mrs. C. H. Scott, of Santa Cruz, Cal.). Jack Dunn, when told of his father's death, had just returned to the Orioles' camp from a horseback ride. When he read the telegram from his brother William he was shocked and was escorted to the dressing-room by several of his colleagues. He packed up his things in short order and left on the midnight train for Baltimore. In his absence Bris Lord will have charge of the camp.

Can't Hit George Mullen.

Mobile, Ala., March 23.—The Mobile Southern League players could not hit Mullen, who pitched five innings for the Detroit Tigers this afternoon. Detroit won 5 to 1. Two single base hits were the only ones yielded up by the Detroit twirlers. Clauss pitched the last four innings for the Tigers. Campbell and Berger occupied the mound for Mobile. The two teams will play again tomorrow.

Sprains

Sloan's Liniment is excellent for sprains and bruises. It stops the pain at once and reduces the swelling very quickly.

SLOAN'S LINIMENT

is penetrating and antiseptic.

Mr. S. L. RAINEY, of 307 Cedar St., Chattanooga, Tenn., says:—"I sprained my ankle, it pained me very much and was badly swollen. After a few applications of Sloan's Liniment my ankle was relieved, and is now entirely well."

At all dealers. Price 25c., 50c. & $1.00.

Dr. Earl S. Sloan - Boston, Mass.

Sam Crawford, who was a holdout until this week, will join the Detroits when they reach Memphis next week. The information was received by Manager Jennings yesterday.

CHASE'S ANKLE MENDING

Star of Highlanders Will Soon Get Back Into Fray.

Special Dispatch to The American.

Hamilton, Bermuda, March 23.—Hal Chase is ready to play again. Trainer Doc Barrett today pronounced Chase's wrenched ankle on the mend and declared that the second sacker will be ready for hard work on Tuesday.

Another Yankee cripple is ready for service. Jack Lelivelt, leading candidate for right field, will don the spangles tomorrow. The former Senator sprained his ankle the other day. The wrench was not serious and prompt attention hastened the recovery.

It was learned today that Chance is suffering from an attack of lumbago. Doc Barrett is specializing on the peerless leader's back and hopes to have him ready to take to the field again within the week. Chance is otherwise fit to play. His underpinning has not bothered him in the slightest and when he overcomes his troublesome back Chance expects to play regularly right along.

MACKMEN WIN CLOSE GAME

Louisville Downed in Second Fray of Series 7 to 6.

Louisville, Ky., March 23.—The Philadelphia Americans won their second victory in the series with the local team of the American Association today by a score of 7 to 6. Duning and Brown were in the box for the Athletics, with Thomas receiving. The game was featured by the hitting of Home Run Baker, who secured a triple, a double and a single.

Dodgers Spend Day of Rest.

Special Dispatch to The American.

Augusta, Ga., March 23.—Camp Superba was very quiet today. Few of the players left the city, those doing so trolleyed over to Aiken S. C., while others visited the golf links of the two big hotels here.

The much-postponed game with Ty Cobb's All-Georgians will be played tomorrow at Warren Park, which is again in excellent condition. A big crowd is loked for, as "trade week" commences tomorrow.

The only baseball news of the day was the arrival of Benny Myer, the hard-hitting right-fielder of last year's Toronoto Club. This leaves only two missing players, Pitchers Kent and Knetzer. Pitcher Stack is in Chicago, where he was called last week by the illness of his mother.

Cubs Win by Large Score.

Special Dispatch to The American.

Memphis, Tenn., March 23.—The Cubs ran rings around the local Southern team today with a score of 17 to 10, 10 tallies coming in during the eighth round. Twenty hits by the Chicagoans, coupled with eight errors by Memphis, accounted for the lopsided score. A freak triple play in the third by the Cubs featured—a line hit, bounding off Reulbach's stick into Evers' hands, who snapped the ball to Bridwell at second, he flashing it to Saier at first, retiring two runners who had started with the crack of the bat.

Browns Lose by 3-to-2 Score.

Forth Worth Tex., March 23.—Fort Worth, of the Texas League, defeated the St. Louis American League regulars 3 to 2 today, Phillips holding the American Leaguers to one hit in seven innings. This hit, a single by McAllister, scored Graff, who had walked. Mitchell and Leverenz pitched for St. Louis.

Shoeless Joe Clouts Homer.

New Orleans, March 23.—In a one-sided game here today the Cleveland Club, of the American League, defeated the New Orleans (Southern League) team 7 to 4. The feature of the game was the home run by Jackson, of Cleveland, in the third inning. Gregg and Steen pitched for Cleveland, Evans and Brenner for New Orleans.

Houston Bumped by Giant Yans.

Houston, Tex., March 23.—The New York National League recruits defeated the Houston Texas League team today, 7 to 3, in a loosely played game. The hitting of Cooper, Thorpe, Fletcher and Demaree, however, made the game interesting.

Easy for McGraw's Crowd.

Galveston, Texas, March 23.—Heavy hitting by the New York National League regulars, with excellent pitching by Tesreau and Wiltse, proved too much for the Galveston Texas Leaguers this afternoon and the New York team won 7 to 1.

ST. PATRICK'S WIN TWO

Alpha and Sacred Heart Clubs Victims of Irish Boys.

St. Patrick's Catholic Club had an easy time with the Alphas and the Sacred Heart Club, of Mount Washington, yesterday, winning both games of a double-header 7 to 1 and 8 to 1. Both Groeninger and Nelson, of the St. Patrick's, were in grand form, the former holding the Alphas down to one hit, while the latter allowed the Sacred Heart nine five safeties. The scores:

Enter Commercial League.

The employes of the Baltimore branch of Crane Company have organized a baseball team for the coming season. They have been elected members of the Commercial Baseball League. The following officers have been elected: W. A. Cox, Jr., manager; H. B. Shepherd, assistant manager; F. L. Williams, captain; R. H. Brown, treasurer.

Shepherd was a member of the Crane team two years ago and is rated as a first-class player.

Williams played with the Patterson Outing Club last season, and has also been a member of the Maryland Athletic Club. He is classed as a fast player and is looked upon as giving much impetus to the team.

There are about 20 candidates practicing to make the team, and it looks as though Crane Company will have a fast outfit on the diamond this season.

DOC ADKINS MAY NEVER HURL AGAIN

MEDICO FEARS INJURY TO HIS ARM IS PERMANENT.

Big Pitcher Will Likely Practice in Durham, N. C., Where He Is at Present Training Trinity College Tossers—To Spend Remainder of Year Studying at Johns Hopkins. Long Member of Orioles.

Special Dispatch to The American.

Raleigh, N. C., March 23.—Dr. Merle T. Adkins, many years pitcher for the Orioles, has pitched his last game, he fears, and has determined to enter the practice of medicine.

His present purpose is to settle in Durham, where he is now training the Trinity College team for the fifth successive year. He has used his arm but little and has small hope that the injury to it last year has not permanently disqualified him.

Dr. Adkins will spend the remainder of the year in Johns Hopkins studying and will not come to Durham before another year. He has two years as trainer of the college team, having signed a long contract to coach Trinity.

He chooses Durham because of exceptional hospital advantages, the largest institution between Raleigh and Baltimore being located in Durham. He has relatives who have made their home his while in the tobacco city.

PLAY AGGIES TOMORROW

Mt. St. Joseph to Engage in First Game on Irvington Grounds.

The Mount St. Joseph College baseball team will play their first home game of the season at Irvington tomorrow, when they will have for their opponents the strong Maryland Agricultural College, of College Park. The farmers so far this season have been putting up a fast game, having won two of the three games played. The Josephites have one of the best teams in the history of the college, as was shown when they trimmed the strong Georgetown University team in Washington on Wednesday last by the score of 3 to 1. In all probability the Aggies will send to the mound their best twirler against the Josephites, while the Irvington lads will work Yates, a big right-hander.

The Josephites' lineup will be as follows: Poe, 3b.; Kelley, 2b.; McBride, 1b.; W. Boyle, ss.; Wamsley, lf.; Cahill, cf.; McLaughlin, rf., and Yates, p.

COMBS BOOT GAME AWAY

Collingtons Win Exciting Practice Contest 7 to 6.

The Collingtons, of the City-Suburban League, annexed an exciting victory over the North Baltimore Combinations in a practice game, at Collington Oval, yesterday 7 to 6. Lefty Manollee, who was on the mound for the losers, hurled superbly, but his teammates booted the game away. The Comb apparently had the victory clinched with two down in the final half of the ninth, when Pearce muffed an easy infield fly, allowing the opposing squad to tie matters up. Heg Barnes then presented the game to the Collingtons by throwing wildly to first on a grounder, permitting the winning run to scamper across the plate.

Michael, the crack southpaw of the Collingtons, went the first five innings and allowed but one safe hit, which was collected by Kelley, who starred at the bat for the Combs. The feature of the game was a line drive by Seitz, which cleared the center fielder's head for a homer. It was the first practice of the season for the North Baltimoreans and they showed good form. Next Sunday they clash with the Baltimore City Water Works, also of the City-Suburban League, at Yockel's Park.

White Sox Trim Angeles.

Los Angeles, Cal., March 23.—The White Sox regulars took the Angeles into camp this morning 5 to 2. Ed Walsh pitched seven innings for the Sox and held the home team to five safeties. The locals made both their runs off Walsh. Doc White finished for the Sox and allowed two hits. Shech and Rogers twirled for the Angeles. The former was hit safely three times in five innings and the latter permitted four hits in four rounds.

Athletic Recruits Win 2 to 1.

Beaumont, Tex., March 23.—Philadelphia American League recruits defeated the Beaumont Texas League team today 2 to 1, in a well-played game. Peaster, Beaumont pitcher, held the Philadelphians to one hit in five innings.

Divide Honors at Checkers.

The checker tournament held by the Alpha Athletic and Pleasure Club Friday evening was a big success, some of the best checker players in the city taking part. Pasquith and Fuller divided honors of the evening, each winning 14 and losing 4. The results:

COMES BACK AT BLETZER

Joe Tipman Says a Few Things in Young Britt's Behalf.

To the Sporting Editor: I am simply disgusted at running around on wild goose chases and making fruitless appointments, with Henry Bletzer, manager of George Chaney. Young Britt is the recognized Southern featherweight champion, having secured the title by defeating every boy worth mentioning in Baltimore, including Chaney, whom he knocked out in six rounds.

The old adage of "go get a reputation" don't appeal to me as long as the lovers of boxing are so anxious to see Britt and Chaney together again. The match is on so far as Britt is concerned. He is willing to fight in 10 days after articles of agreement are signed, providing Bletzer recognizes an assignment which I hold to protect the friends of a fight against legal seizure. In the past I believe Bletzer has been a party to assigning against us. Book the match and give us a square deal is all I ask.

(Signed) JOE TIPMAN.

Manager Young Britt, Southern featherweight champion.

BILLY M'CARTY PLEASED

Manager of Fallsway Club to Put On Another Show Shortly.

Billy McCarty, manager and matchmaker of the Fallsway Athletic Club, is greatly pleased with the success of his opening show. Billy attributes his success to his experience in the boxing game and the teaching of Al Herford, who promoted boxing under the Eureka Athletic Club. The fight fans were well pleased with the Daly-Egan show and all details were carried out in good order. Those who journeyed from the Capital City to witness the fistic entertainment were also highly elated, as the early preliminaries gave them ample time to catch trains for Washington.

McCarty will likely put on another show within the next two weeks, as he has been requested by many of those who saw the last event to put on another bill. Billy asserts that he will play no favorites among local boxers, as there has been done in the past. They will have to show a little class to get on with first or second-class boys from out of town. He has also received an offer from Cyclone Cy Smith to box Terry McGraw. McGraw has met Smith on two or three occasions.

McCarty and Flynn to Meet Again.

Philadelphia, March 22.—Announcement was made last night that Luther McCarty and Jim Flynn have signed to box six rounds before the Olympia Athletic Club in this city on April 14. The men met in Los Angeles last December, McCarty winning in the sixteenth round.

ESTABLISHES NEW RECORD

McGillivray, of Illinois A. C., Swims 500 Yards in 6:20 3-5.

New York, March 22.—Perry McGillivray, of the Illinois Athletic Club, Chicago, established a new American swimming record at 500 yards in a 25-yard pool in winning the A. A. U. national championship race at that distance in the New York Athletic Club's pool last night. McGillivray's time of 6 minutes 20 3-5 seconds displaces the former American record of 6:21 2-5 made by C. M. Daniels on February 23, 1907, in the same pool. N. T. Nerich, of the New York Athletic Club, was second and H. J. Hebner, of the Illinois Athletic Club, third.

Nerich led for the first 250 yards, with J. H. Reilly, of the home club, holder of the mile record in open tidal water, second. At the sixteenth lap, beginning the last 100 yards, McGillivray went to the front, and in a hot struggle from that point to the finish beat Nerich out by 4 4-5 seconds. Reilly did not complete the distance and the last half of the race was practically a two-man competition between Nerich and the winner. There were only four starters.

Want Boycott Rule Abolished.

Ann Arbor, Mich., March 22.—The University of Michigan board in control of athletics yesterday voted in favor of returning to the Western Conference on condition that the conference abolishes the so-called boycott rule and amends the rule concerning the university boards in control of athletics. It is expected that a Michigan petition for admission will be considered at the next spring meeting of the conference.

The so-called boycott rule provides that no conference college can compete with a school which has been a member of the conference but has withdrawn.

Sons Take One-sided Game.

The Sons of St. George soccer team won a one-sided contest from the All Stars yesterday 8 to 1. At no time were the All Stars in the running, and the Sons shot goal after goal with will. Latte was the bright star of the encounter, scoring five goals for his team. The lineup:

Sons of St. George—Horne and Mack, backs; McCrowe, Windsor and A. Downing, half backs; Gomble, Gebhardt, Wasting and Blake, forwards.

TO MEET NAVY CREW

Ariels Row Against the Middies on May 24.

The Ariel Rowing Club will race the Naval Academy eight-oared shell crew May 24, over the Henley course of one mile 580 yards, on the Severn River. This will be the first race of the season for the white and blue oarsmen and will be also the first test of the Ariels' new sectional eight-oared shell, which is being built at Putney, Eng. The boat will be shipped from London on April 5, and is expected to reach Baltimore about three weeks later. This will give the oarsmen ample time to get used to the new boat before the race. There is only one other sectional eight in this country made by the famous English builders, and the Ariels' boat will be the second. The Detroit Boat Club has a sectional eight, which it used all last season, and it has given satisfaction.

Sectional boats have been the result of the difficulty which has been experienced by the boat clubs in attending regattas. The railroad rates have been practically prohibitory in transporting eights any distance, and the boat clubs were put to their wits' ends in devising a craft that would overcome these obstacles and at the same time not interfere with the speed. The result was the designing of a sectional boat.

The shell is built in three sections and the workmanship is so fine that the sections, when ready for use, are joined together by small bolts of highly tempered steel, which add but little to the weight of the boat, but considerable to its seaworthiness. When ready for shipment the boat is taken apart and each section is packed in a specially designed box, which protects it while being transported.

The possession of a sectional eight will enable the Ariels to visit all the important regattas this season at a minimum expense. Capt. C. W. Rolph, of the Ariels, is confident that he has a strong eight which will show championship form this year. The crew, with one exception, is the same which won the senior eight championship in the Middle States Regatta, held in Washington last year, and will line up as follows:

C. William Schneidereith, bow; Norman McParland, 2; Purdew Wright, 3; R. H. McCabe, 4; W. B. Wilson, 5; Harry Kroneberger, 6; Charles Howard, 7; C. A. Smith, stroke; Joseph Shubert, coxswain.

FENCING BODY MEETS

Intercollegiate Association Elects Officers for the Year.

New York, March 23.—At the annual meeting of the Intercollegiate Fencing Association, held here today, A. N. Clough, Columbia, was elected president; E. Cochrane, Annapolis, vice president, and W. R. Scott, Cornell, secretary treasurer. A committee for the revision of the rules was appointed as follows: D. V. Parker, Pennsylvania; J. A. McLoughlin, Harvard; M. Larrimer, Annapolis; T. Allison, Cornell; S. Titt, Columbia; H. Chalmers, Yale; L. Gardner, Princeton, and W. Bridge, Bowdoin.

Many matters pertaining to the welfare of the association, including the absence of West Point representatives from this year's championship contests, were discussed, and the following resolution was adopted:

Resolved, That the Intercollegiate Fencing Association deeply regrets the failure of the United States Military Academy to compete in the intercollegiate fencing championship, and sincerely hopes that conditions will be such that the Army will continue in the future its affiliations with the Intercollegiate Fencing Association.

How the Koreans Talk.

[From The Christian Intelligencer.]

A Korean convert committed to memory the Gospel of Matthew. When he was asked how he did it he replied: "I had great difficulty in making the text stick, but one day I decided that as I read it and tried to commit it by memory I should practise it verse by verse upon my neighbors, and I found that as I practised it somehow it stock."

When a Korean wishes to know whether he should take his medicine before or after meals he says: "Shall I put this medicine under my rice or on top of it?" A Korean Sabbath school secretary in his report instead of giving the average attendance gave the average absences. Such is an illustration of the difference between the Korean way of thinking and speaking and ours.

Fire Without Flames.

[From the Chicago Tribune.]

An engineer has invented a way to have fire without flame. His apparatus consists of a porous plate or mass of fire-resisting fragments within which he mixes inflammable gas and air in the right proportions. When the gas is first turned on and lighted it burns with a flame at the surface of the plate.

When the fire is turned on the flame disappears, but the heat increases. A temperature of 3,200 degrees is claimed. Just what use of this invention can be made is yet a question.

HORSEMEN PLAN TO LEAVE SOUTH

MANY COMING THIS WAY FOR MARLBORO MEETING.

J. O. Talbott, J. W. Hedrick, Hugh McCarren, Willie Cahill and Others to Start Thoroughbreds in Events Over Southern Maryland Track—Horses in Training for Opening of the Sport.

Word was received yesterday from Charleston that the first shipment of thoroughbreds from Palmetto Park to Marlboro would depart from the South Carolina town not later than Friday for the plant of the Southern Maryland Racing and Fair Association at Marlboro, where a 10-day meeting is to open on Wednesday afternoon, April 2. In the contingent will be the colorbearers of such prominent turfmen as J. O. Talbott, J. W. Hedrick, Willie Cahill, Hughey McCarren and Doc Reed.

Only a portion of the Talbott stable, however, will come this way, as Trainer Jimmy Johnson will take a number of the swiftest performers in the establishment to Jamestown to start in their stake engagements. Republican, Colonel Cook and Eaton are the chief money winners for Talbott, and they will go to Norfolk to try for the principal events. It is believed that Johnson will send Frank Hudson, Clothes Brush, Fasces and a couple of others to Marlboro.

Hedrick will have a few useful platers to race over the Prince Georges county course, among them being the bear in the mud, Silas Grump, and Irish Kid, a fair kind of a horse over a distance of ground. Cahill is well known to the followers of the sport of kings around here. Strikeout, a winner of his last outing at Charleston, and Argonaut are among those that carry his silks.

McCarren, too, is another horseman who is a very familiar one with those who take interest in the sport in this city. It is over the half-mile track that the members of the McCarren stable shine, and the veteran can be depended on to saddle his share of the winners during the coming session of racing in Southern Maryland.

Doc Reed has Lord Wells, who has copped three purses at Palmetto Park, and the chestnut son of Ort Wells is said to be better right now than at any time since the day he was foaled.

Yesterday fine weather was the signal of activity among the trainers now at Marlboro, as well as the numerous ones now located at Benning, where they will remain during the meeting. The Marlboro track is being rounded into tiptop shape and Superintendent Ed Hanna says he will have it lightning fast for the opening day unless rain upsets his present plans.

Johnny Hope is about the busiest man now at the Prince George plant and when he sends his three chief breadwinners—Susan, Kinder Lou and Gold Check—to the post they will be ready to give the best account of themselves. Billy Weant, too, is right on the job preparing Otilo, Stelcliff, Galinda, Working Lad, Inclement and several two-year-olds.

GETAWAY DAY AT JUAREZ

Large Crowd Witnesses Running of Last Day's Card.

Special Dispatch to The American.

Jaurez, Mexico, March 23.—The fourth winter season of racing at the Juarez track terminated this afternoon under most favorable circumstances. Weather and track conditions were ideal and a big crowd was out to witness the wind-up. The usual get-away day longshots were not in evidence and the horses ran pretty close to form. The handicap, the feature of the card, resulted in a victory for Ymir at 4 to 1, which came with a rush at the end, and outgaming Meadow and Lackrose, got the decision by a neck. Meadow ran a good race and beat Lackrose for the place. Dudo and Duncraggin, fovorites, won their respective races in commanding fashion; John Louis, second choice, won his race by a close margin, while Quid Nunc accounted for the fifth race in a mild drive. Butterball, favorite in the last race, was easily the best of his field.

Owing to wire trouble The American was unable to get the Juarez results of yesterday.

RICH STAKES TO BE RUN

$19,000 Offered in Early Closing Events of Grand Rapids Meet.

Grand Rapids, Mich., March 23.—Nine the early closing events of the Grand the early spring events of the Grand Circuit race meeting beginning here July 28, it was announced today. The early events include $10,000 Furniture Manufacturers' Stake, the $5,000 Comstock Stake and the $2,000 Grand Rapids Railway Stake and the $2,000 Giftline Stake.

The entry blanks for these events will be sent out at once. Other events of $1,000 each will be announced at the proper time to make up the program for the meeting. A new grand stand will be erected at a cost of $30,000, to replace the one burned last year.

Gould Entry Finishes Fourth.

Paris, March 23.—The Prix du President de la Republique, a steeplechase handicap, at two miles six and one-half furlongs, was won today at the Auteuil track by M. Couveille's brown filly Sybilla. Sansovino finished second, with Make Haste II. third and Frank J. Gould's Conte la Belle fourth. The stake was valued at $12,600, with a trophy added.

Rev. J. S. Peters Resigns.

Special Dispatch to The American.

York, Pa., March 23.—Rev. Joseph S. Peters has resigned as pastor of the Emanuel Reformed Church. He has accepted a call from the Board of Home Missions to organize a congregation in Allentown, where a new church will be erected. Rev. Mr. Peters has served several years at the local charge.

LARGE ROYAL FAMILIES

European Sovereign Households of More Than Ten Children.

Prince Louis of Bavaria, who succeeds his father, the Prince Regent Luitpold, has three sons and seven daughters. But he does not hold the record among the sovereign houses for the largest family.

Prince Robert of Parma, who died five years ago, left by two marriages 21 children, says Le Cri de Paris. His eldest daughter was the first wife of Ferdinand of Bulgaria. Abdul Hamid is the father of seven princes and six princesses. Nicholas of Montenegro has seven daughters and four sons. Kaiser Wilhelm has six sons and one daughter. George V. of England has four sons and one daughter.

The Czar of Russia has four daughters and a son. The Count of Caserte, son of King Ferdinand of the two Sicilies, gave his name to 11 children, every one of whom, sons and daughters, were called Marie. In Austria the Archduke Leopold Salvator has five daughters and four sons; the Archduke Francis Salvator, four sons and four daughters.

Fortunately these large families have not, as the rest of us, any anxiety about the morrow. The 21 children of Robert of Parma have divided among them the 200,000,000 francs left by their ancestor, and this will enable them to keep warm through the winter.
