INDEMNITY LAW.—The following is an authentic copy of the law indemnifying the sufferers by the riots of August last. It was referred in the City Council to a joint Committee consisting of Messrs. Barnes, Harker and Ball of the First Branch, and Messrs. Carroll, Frazier, and Ready, of the Second Branch.

An Act to provide indemnity to the sufferers by certain Riots in the City of Baltimore.

WHEREAS, it has been represented, and proven by testimony satisfactory to the General Assembly, that on Saturday, Sunday, and Monday, the eight, ninth and tenth days of August, in the year eighteen hundred and thirty-five, a tumultuous mob assembled in the City of Baltimore; and lawlessly and riotously assaited, defaced and destroyed, a large amount of property belonging to several citizens of this State, and Whereas it also appears fully proven that for several days previous, there were reasons well founded and well known to apprehend such violent proceedings,—also, that when the said mob did assemble, it was not formidable in number or arms; and that the authorities Civil and Military, and the people of the said City had ample power, at any time to have quelled and dispersed the rioters, but failed to exercise that power, and suffered the houses and other property of peaceable citizens to be deliberately pulled down or otherwise destroyed from day to day by the same rioters, Now therefore,

SEC. 1. *Be it enacted by the General Assembly of Maryland*, That Alexander Fridge, Ashton Alexander, and Charles Howard, be and they are hereby appointed Commissioners, and upon refusal to act or death of either of said Commissioners, the Governor and Council shall appoint some person or persons to fill such vacancy or vacancies, with authority to examine and ascertain, by view and by such proof under oath as they shall deem competent & sufficient, the value of the property injured or destroyed by the said mob, belonging to any person or persons who shall allege in writing by proof under oath, to the said Commissioners, that his property was injured or destroyed by the mob aforesaid, and it shall be the duty of the said Commissioners, or a majority of them, to make, under oath, to the Treasurer of the Western Shore, a return of the estimate of value and damages by them made, specifying the names of the parties injured, and the amount of loss or injury sustained by them respectively.

SEC. 2. *And be it enacted*, That, upon receiving such return, it shall be the duty of the Treasurer of the Western Shore, to issue to each of said parties, certificates of stock of this State, bearing interest at the rate of five per centum per annum, payable half yearly, assignable and redeemable at the pleasure of the State, for the amount of loss or injury so ascertained and certified to have been sustained by such party.

SEC. 3. *And be it enacted*, That the sum of twenty thousand dollars yearly, heretofore by the twenty first section of the Act of Assembly of eighteen hundred and twenty-seven, chapter one hundred and eleven, appropriated for the purpose of deepening and improving the harbor of the City of Baltimore, be and the same is withdrawn, and hereby pledged and appropriated to the redemption of the Stock aforesaid, principal and interest, to be, by the said Treasurer distributively applied to that purpose as the same shall accrue.

SEC. 4. *And be it enacted*, That the Mayor and City Council of Baltimore shall be and they are hereby authorized to provide for the redemption or payment of said Stock, by assessment and levy, upon the assessable property in the said City, or by a loan, upon the credit of the City, and upon the redemption thereof by the said City, within two years from and after the passage of this act, thereafter as heretofore, the said sum of twenty thousand dollars annually, shall be paid out of the proceeds of duties arising from sales at public auction for the purpose of deepening and improving the harbour of the City of Baltimore, subject always to the control and disposition of the Legislature.

We hereby certify that the aforegoing is a true copy of the original Law, which passed both branches of the Legislature of Maryland, at December session, 1835.

CONGRESSIONAL SYNOPSIS.

IN SENATE.

FRIDAY, April 1, 1836.

Mr. LINN, from the committee on Revolutionary claimes, reported a bill for the relief of John Powell, which was read and ordered to a second reading.

An unfavorable report was made from the Committee on Pensions, by Mr. TOMLINSON, on the the petition of Philip Taylor.

Mr. HENDRICKS, from the Committee on Roads and Canals, reported a Bill to authorise the making of a Road through the Public Lands, from Melile to Pensacola which was read and ordered to be read a second time

On motion of Mr. CLAY, the Senate agreed, when it adjourns, to adjourn over until Monday.

MICHIGAN TERRITORY.

The Senate proceeded to the consideration of the bill to establish the Michigan Boundary line of Ohio, and to provide for the admission of the State of Michigan into the United States.

The pending question being on the motion made by Mr. KNIGHT, so to amend the Bill as to make it necessary for the convention of Delegates of the people of Michigan elected expressly for the purpose to give their assent to the conditions imposed by the bill, before her admission shall be recognised.

Mr. SOUTHARD spoke at considerable length and with great ability, and effect in opposition to the bill.—He enlarged on the unconstitutionality of admitting aliens and others to vote who could not claim the right under the naturalization laws of the union. He refuted the argument which had been brought forward by Mr. Buchanan very successfully.

Mr. HENDRICKS made some remarks on the amendments which he offered last evening. The amendments are in substance, as follows: The admission to take place as soon as the free male white citizens of the United States shall by their delegates in convention hereafter to be elected, so modify and amend their constitution. 2ndly. To insert "And be it further enacted, that the foregoing conditions being in good faith complied with, and being reported by the convention to the Congress of the United States therefrom, and without any further proceeding, the State shall be admitted;" and the third amendment is in these words: "Immediately after the said constitution shall be modified according to the provisions of this act, the said State of Michigan may, and shall, proceed to appoint, in such manner as the Legislature thereof may direct, the number of electors of President and Vice President of the United States to which the said state is entitled."

CORRESPONDENCE

Between WILLIAM HARRIS and the Trustees of the School at the Trappe, Talbot county, Md.

TRAPPE, Talbot county Md.
25th March 1836.

To Messrs. James Chaplain, Doct. Samuel T. Kemp and Henry Dellahay, Esquires, Trustees of the School at the Trappe.

Gentlemen:—Permit me to apprize you that circumstances over which I have had no control, make it necessary, that I should tender to you, my resignation, as Teacher of the School at the Trappe.

For nearly two years past, I have been engaged in instructing the children of your Town and vicinity, and happy am I in the reflection, that not a *solitary complaint* of dissatisfaction from any Parent or Guardian, has ever reached my ear.

During this period, I have endeavored faithfully, and impartially, to discharge my duty, and I am gratified in believing, that the children have much improved.

I came among you a stranger—and I should be guilty of the grossest ingratitude, were I ever to forget your *attentions*, your *kindness* and general *hospitality*.

I leave you Gentlemen, in regard to my official capacity, (to take charge of the Primary School in Easton,) but shall ever look back with unspeakable pleasure, at the uninterrupted *harmony* and *unanimity* of sentiment, which has ever prevailed, in our different circles of duty.

With a hope Gentlemen, that an individual may be selected, who will fill the station more ably,

I am with sentiments of high consideration your very humble servant.

WILLIAM HARRIS.

Dear Sir:—Your note of the 25th inst. has been received, in which you apprize the Trustees "that circumstances over which you have no control, make it necessary that you should tender to them your resignation as Teacher of the School at the Trappe."

The Trustees would not be rendering you the justice you are so *eminently* entitled to, if they did not cheerfully bear testimony to your qualifications as an Instructor—to your faithful discharge of the duties appertaining thereto—to the rapid improvement of the Pupils under your charge—and to your uniform, correct and gentlemanly deportment.

The Trustees *exceedingly* regret that you are induced to give up the charge of the School, and they cannot close this note, without expressing a sincere wish for your success, in the Profession you have embraced and for your health and happiness.

Very respectfully
JAMES CHAPLAINE, Pres't.
