Annapolis Md. Dec 27. '39 —

Dear Sir —

On arriving here I received the letter you were so good as to address to me at Princess Anne; and shall count upon that pleasure again, at your earliest convenience, in case that a different day for the meeting here than that indicated at Baltimore, Court Jany 20th should be determined upon by you, in order that I may advise therefrom fully in Summit and peace to — And, in the mean time, I will confer with those in this place, and endeavour to procure such necessary enactments as may be proper and acceptable to the Company — And provide for the harmonious action of the companies concerned in the great cause of Internal Improvement — It may be well to bring with you the "Offer" form bond for the State's bonds in pursuance of the direction of the Stock holders meeting in Baltimore — also the book containing the Records subscription on the part of the State —
