to call me up do not expect to be there. I should be very glad to see you in Talbot - and hope you will not pass within shooting distance without giving me a call. The late Election in Baltimore for a member of Congress is a glorious event. It will ensure us the ensuing Fall Election. I have never seen the Vanites so completely prostrated Baltimore their hobby - their hope in all tides come agt. them I believe they will be hard run to get out a list of candidates for the delegates and Senator -

I am very respectfully
