As to the expense – The fee for the first session (seven months) including all college charges – room rent, steward's services &c. is $26.75, which is required to be paid in advance. Board in the college hall (where I board myself & which I would recommend for Albert) $1.75 per week to be paid monthly in advance; – in town $2.00 per week. There is also an advance required of $5.00 for purchase of wood, which is furnished to the student at cost.

The necessity of purchasing furniture makes the first year the most expensive of any. The outmost economy however is expected by the regulations of our institution, & to aid in securing it a monthly statement is sent home to the parent of every item of expenditure.

Should you think proper to send Albert, we shall do what we can to make him comfortable & happy, & you may be assured of my own personal interest in his welfare.

Remember me most affectionately to Aunt & the family.

Very truly
Yrs Robt. Emory Jr.

P.S. I have opened the letter to say that it would be well for you to inform me of your intention as soon as possible, as our rooms are fast filling up.
