Beside — The expense is about what I said to you as Gov. Seward it would be — Namely 800 over & Common interest — For example the ~~[illegible]~~ interest charge in my Ofc is 1361.96 — The major or Simple interest on 30.000 p 4 Months would be as near as can be 600

761.96 extra

So that the extra interest after deducting all fees & Commission is less than what I told you it would probably be — That I have done the notes at the very lowest market rates,
