been as well done here? Of course not knowing all the circumstances which operated to cause you to change the form of meeting I cannot form an opinion on the subject. Duvale I am well convinced intends to clear the road under any circumstances and he has so intended ever since the January estimate was made. Well this his agent here I have understood has expressed as much and my own opinion is that the Company cannot get rid of him two soon.

What have you done in making sale of the stock? have you been successful? I am very anxious to hear something on this subject. I am fearful that none or very little can be sold in this county; and as I have all along said the Cities are the only places to effect sales on terms suitable to the Company. Mr McCulloch would do much it seems to me in effecting this desirable object.

Mr Handy has I understand his speech in the press and I suppose it will be soon out. I am anxious to see it. He is a great
