from the Girard Bank — we entered the Bonds as to become due to the Bank — and considered that we had made the payment to you. — We have recently paid the Girard Bank the Bonds delivered to you (say Thirty thousand Dollars) — and now we wish to be placed in condition — to demand a repayment to us — as provided for in the Law — —

We therefore enclose an order on your Company for Thirty thousand — payable to the Treasurer — which please to accept and return to us as speedily as possible — This we will deliver to the Treasurer as satisfaction of his requisition of 13th November 1838 — for $30.000 for your use —

As we are in extreme want of the particular Bonds which are to be given to us in payment of the advances to you — we must beg you to return the draft immediately —

I am very respectfully
