Baltimore June 5th 1839

Dear Sir

I have just ascertained that it will be out of the power of my Counsel (Mr McMahon who is at present & will be for some time engaged by his profess' engagements in Harford County Court) to be present and represent my interest at the meeting of the Arbitrators at so early a day as the 10th June

I am therefore compelled to ask a postponement to a later period than the one named.

yours Respectfully

W. Clusal
