myself which led to the interruption of a form
intimacy, I beg to be excused from the responsi
if any intentional agency in this unpleasant matter, and
to assure you, that whatever of unkind feeling I the
had towards Mr. Theodore many years ago, I
have long since ceased to indulge it ~~them~~. — I ~~am~~
have long been
fully aware of the degrading injury to families of
domestic feuds & broils, and ~~of~~ the essentially to
their honour & happiness ~~of families~~ in the cultivation
of harmony ~~& kind~~ good feelings, and the mutual fav-
-formance of kind offices. Upon this opinion my
conduct has been regulated, & will ever continue to be.
