If among your numerous friends on the Eastern shore you know of any persons wishing such stocks I would esteem it a great favor if you would refer them to me.

I told Mr Winder of your kind invitation to us both to make you a visit and hope that it will be in our power to do so at some future time. I trust that your health is improved since your return home

With sentiments of the highest regard I remain Dr Sir

Your obt Serv't

H. C. Turnbull

Gen Emory
