In the matter of the complaint in respect to religious services in chapel of the Handy-African M.E.Church on Baker street, between Fulton ave. & Mount streets, as referred to in the proceedings of August 7, 1911, a report, as follows, was received, read and ordered filed, see Exhibit No. 3500:-

"Baltimore, Md., August 14th., 1911.

To The Honorable,

The Board of Police Commissioners.

Gentlemen:-

With respect to the open-air services on the Church property of the Handy African Methodist Episcopal Chapel, north side of Baker street, between Fulton avenue and Mount street, I beg, respectfully, to state that in accordance with instructions of August 7th., I sent for the Pastor of this Chapel (Rev. John O. Custis, colored) and informed him that a complaint had been received by this department as to the disorderly manner in which his religious services were being conducted and warned him that upon receipt of a similar complaint the privilege of holding these open-air services would be denied him. He informed me that in the future these meetings would close at 10 o'clock promptly, and that prior to that hour he would see that the services were conducted in a proper and orderly manner.

Very respectfully,

THOMAS F. FARNAN, Marshal.
