Dear Sir

Chester Town June 16th 1842

I rec'd your letter by the mail with one hundred Dollars enclosed which you say you would be pleased to the Credit of Taylor and Thompson Judgt. I am not authorized to receive a part of the Judgt. and of course cannot remit the sum you name the Judgt. was for $256.79 with Int. from 16th May 1839 till paid and Costs I have no objections to keeping the $100 until the remainder is paid but then it will not bear Int. on that sum as I cannot remit it I am in hopes you will settle the whole of your other suits if you think proper the $100 can be returned — I am hopefully interested with the arrangement you have made for the payt. of Ridd & Smith & Co Judgt which you say you mean to pay out of your share of Crops — you can get the Costs from your office where you settled Taylor & Thompsons Judgt with respectful Compliments to Mrs Colquhoun I remain

Dear Sir very respectfully

W Barnard
