Washington, Jany 15. 1826

Dear Sir,

I have received your letter, of the 6th inst, & am now waiting in daily expectation of a communication from Mr McAlpin, through Mr. Brown, his agent & attorney, on your subject. A letter from Judge Earle informed me that he is on a contract with you for the land in Cayes. I expected to Mr McAlpin & Brown very fully your views in the purchase you had made & my wishes for your accommodation, & I have no doubt of being authorized to allow a considerable credit, upon the money being satisfactorily secured. You shall hear from me as soon as I obtain their instructions.

I am very respectfully
Yrs
