December 24th 1826.

Sir,-

Mr James Gibson, the bearer of this, informs me that he proposes to offer his services to you, as a Deputy Clerk, & requests me to recommend him to your consideration.

As you do not know me, it can be of little avail to speak my opinion or my wishes to you; but, to gratify Mr Gibson, I will say that I have always understood that he is well qualified for such a place & from my knowledge of his intelligence I think he might make you a very useful Deputy.

I shall be personally gratified if you find it in your power to give employment & support to so worthy a man as Mr Gibson.

I am, Sir, very respectfully,
Your Obt Servt
J K Lundstrom

To William Gibson, Esq.
Baltimore.
