Dear Walter

Annapolis July. 16 1828

I am induced to believe you no longer value the Beagles I presented you, I will therefore feel particularly obliged, if you will deliver them to the order of my friend Colo. Tilghman. Long since promised him a pair, and have no means of complying with that promise, except you will have the goodness to enable me, of which I have no doubt.

Most sincerely
Your friend

Dear Colo.

If an opportunity shoud present itself to have the above Note conveyed to my friend Mr Brooke, I am convinced you will get the Beagles

Very respectfully
Your Sincr. friend
